Re: Donovan Murray v. State  
Appellate Case No. 2013-001267

Dear Petitioner:

This responds to your recent letter. In your *pro se* response to the *Johnson* petition submitted by your counsel, you should raise *any* and *all* issues that you believe this Court should consider, including any additional argument you wish to submit on the issue raised by counsel.

If you do file a timely *pro se* response, the Court then will review the petition filed by your counsel; your *pro se* response, and the appendix to determine if your counsel will be directed to serve and file a new petition for a writ of certiorari or whether this Court will deny the petition for a writ of certiorari and grant your counsel's motion to be relieved. Please remember that your *pro se* response must be filed with this Court by May 23, 2014.

Very truly yours,

CLERK
