Dear clerk

I'm writing to you concerning my Pending writ of certiorari it was  
was clocked stamped on Oct. 15, 2012 by SC. Supreme court and  
I have not received anything else letting me know what's going on in  
my Pending case. However Another inmate had gotten a list of names  
saying the the Peoples whos names were on the list cases got sent back  
TO the Appellate court and my name was on the list so I'm writing  
you to find out what's going on. Will I be given another Appeal Lawyer  
because my lawyer had filed for a motion to be released as counsel I had  
want her but at this current time I had not got a response. And if  
you don't mind could you send me a habeas corpus Application I would  
be most grateful Thanking you in Advance

Philly Syd
