RE: *State v. Harry*
Appellate Case No. 2013-000336

Dear Ms. Kitchings:

I am in receipt of Respondent's Third Motion to Enlarge Time for Filing Initial Brief of Respondent and Designation of Matter dated April 21, 2014. While I consent to this extension, and with all due respect to the Attorney General's Office regarding the demands of the caseload on its attorneys, I respectfully request the Court to consider this as a final extension of this deadline absent truly extraordinary circumstances. As an attorney with multiple matters to handle in addition to my service as a pro bono attorney on this matter, I would like the court to consider the impact that the multiple extensions are having on my ability to properly allocate my resources to this matter and the impact that these extensions have on my client, Mr. Kareem Harry, who awaits this Court's determination of his appeal of a conviction for murder. Thank you for considering this request.

With highest regards,
