Appellate Case No.:

2012-213478

I'm writing to know the status of my case. The initial brief was turned into the state in Nov. Ke Jay Anthony and Robert Dudek are assigned to my case and I haven't heard anything from either of them, but if there was a response from the state and they failed to notify me of it I would not be surprised. Neither have my best interest at heart.

The evidence in my case was tampered with and they have done nothing to expose this situation for what it is. There are a bunch of cases with all sorts of wrong doing, but mine is in a league of it's own. That might sound crazy and this probably means nothing to you, but I just wanted to know the status of my appeal so I'll know where to go from here.

Thanks & Have a nice Day
