SC Court of Appeals

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should identify the parties being served and their mailing addresses. Your amended proof of service should include the date you actually served the notice of appeal and not the date you prepared the amended proof of service.
- The required filing fee has not been submitted. The correct filing fee is \$100.00. Your request for an extension for the payment of fees, as mentioned in your cover letter, must be presented in the form of a motion in order for it to be considered by the Court. Please see Rule 240, SCACR, for guidance.
