Dear Mr. Hamrick,

Thank you for your request. According to my records, your transcript should run an estimated 48 pages. Based on the current rate of \$3.25 per page, the cost will be \$150.

Under our rules, I have 60 days in which to complete the work. Upon receipt of a check, the 60 days begin. If I have underestimated the number of pages, I will include a bill when I mail your transcript. If I have overestimated the number of pages, I will include a reimbursement check.

SC Court of Appeals

In the event I need additional time to complete the transcript, I will request an extension from Court Administration. You will be notified if the request is granted.

Please be sure to include the case name and date of hearing with your check.
