SC Court of Appeals

Dear Ms. Kitchings:

Appellant's Final Briefs in the above appeal are due to be served and filed on Monday, May 19, 2014. In preparing the Final Briefs, Appellant discovered that three pages of the trial transcript cited in Appellant's reply brief were inadvertently omitted from the Record on Appeal. Accordingly, simultaneously herewith, Appellant is filing a consent motion for leave to supplement Appellant's record on appeal with these three pages. In light of this motion and Appellant's intention to file the Final Briefs after receiving a ruling on this motion, Appellant hereby requests a 7-day extension to serve and file the Final Briefs. This is the first request for an extension of the deadline to file the Final Briefs and the second extension request by the Appellant in this case, and it is not intended for the purpose of delay. Appellant's counsel has discussed this matter with Respondent's counsel, and Respondent's counsel consents to this request for an extension.

I appreciate your consideration of this request and ask that you hold the filing time in abeyance during the time in which this request is pending.

Very truly yours,

Patrick C. Wooten
