Appellant Case No. 2013-000807  
Claim No.: 40-D142-585, 40-D143-595

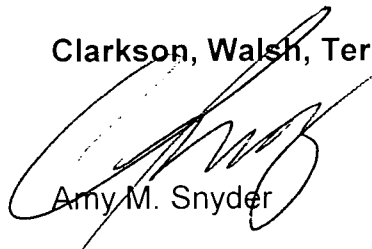

Dear Ms. Allen:

Pursuant to your correspondence dated March 10, 2014, please note that the certificate of service that was enclosed with the documents served on Appellant's counsel was a copy of the certificate of service from the date the Motion for Summary Judgment was originally served on all counsel of record. A Proof of Service was not included in the documents sent to Appellant's counsel on February 26, 2014, as counsel was not aware that a Proof of Service was required. Accordingly, I am enclosing a copy of the Proof of Service for that date as directed by your letter and am providing a copy of Appellant's counsel by copy of this letter.

Please call me if you have any questions or need anything further.

Yours very truly,

Clarkson, Walsh, Terrell & Coulter, P.A.

Amy M. Snyder
