Request/Complaint

5-16-14

Dear Clerk Hi!

Demand of Hearing for Interpretation of Rules of court and state statutes governing decision to convict me by legislatures and General assembly

I'm contacting you in regards to the status of my writ of certiorari that's now pending in the courts to be heard I'd like to know (what's the status on it (and will all I've presented to the courts be looked at)? (where is my case at on the docket?)

(I also like to complain to this courts on the frivolous writ of certiorari brief (Ms. Susan B. Hackett) filed which I specifically spoke with her on all I asked of her to present to the courts on my behalf. She still filed an (Johnson) brief and I was asking her several times before she did this (Johnson) brief let me represent myself because she's only messing up my case blocking me from presenting the issues I needed heard (Now) this occurred with Ms. Susan B. Hackett as well Ms. Heather M. Cannon (since trial Every attorney the state has appointed me has damaged my case worse than it already is and has damaged all the issues I look to present to the courts. per. Dist. of Col. Court of Appeals v. Feldman, 460 U.S. 462, 103 S.Ct 1303 U.S. Dist. Col. 1983 (March 23rd 1983)

(I have a right to challenge the interpretation of the Court Rules + state statutes by which the courts used governing the decision to convict me) Even though a writ of certiorari is an collateral attacking of the sentence only (I've interpreted that way by legislatures I Demand a hearing to be

② held on the interpretation of Every Rules of Court or Everything  
I've litigated in this case before trial since pre-trial transcripts  
up until this very day which I have a right to so  
I ask the Courts Setup a Court Date for this  
as well my (Geister v Pugh) hearing I'm Entitled to  
I was never convicted I ask the Courts legal, lawful  
permission to have this scheduled for me and also  
Federal Courts does have jurisdiction to hear this  
So I ask for a Motre of all scheduling and  
Interpretations
