S.C. Supreme Court

Greetings Sir/Ma'am, I MR. George Middleton of the Lee Correction Institution am addressing this letter to you in regards of receiving an UNFAIR trial within my jury court case which I WAS introduced at first to a jury of five African (black members), yet when I entered the court room, there was twelve whites seated in the jury box! This would be considered a "change of venue". What I was introduced to in the beginning was NOT what I receive in the end! Also, Do the State of South Carolina have and use it's Hate Crime Guidelines in Law? Within my court trial I receive unfairness being African (black) and being given an all white jury. I had a hang jury, found guilty, even before my court trial began to take place! How could "Justice" ever stand when injustice overrides it's chances? Not wanting to present prejudice or being bias, yet have I been white world I still receive the same injustice within my court trial that I receive? Question? "Do South Carolina have a Hate Crime Law? Do South Carolina still honor and use this Law? Can you please respond to this letter with your response. My charges were Drug Possession/Distribution.

Thank-You,
Respectfully
