Anthony:

Mr. Weyble and I do not oppose your request for an extension of time. However, we believe you should file a motion to exceed the normal page limits for your brief and that the Court should limit the length of your brief to 100 pages as it did ours.

Sincerely,

Emily Paavola

Emily;

The Court has asked me to inquire of you whether you consent to my latest extension request to file the Return to Petition for Certiorari. I have completed almost all of the Return; however it is 167 pages in length [your petition is 91 pages] and I intend to cut it down. The other reasons for the extension, including arguing before the 4th Circuit recently, and Federal Habeas Returns [in two murder cases] are set forth in my extension motion.

Thank you

Anthony
