Appellants

MOTION FOR EXTENTION

Appellant, Mary Ellen Harris moves for an extension of time in which to file the "Brief and Designation of Matter" to be included in the Record of Appeal. Appellant Request this extension of allowable days due to the element of Surprise per SC Code 60-1 as Appellant was not expecting the information Respondent filed in his "Brief and Designation of Matter" was to assassinate the character of the Appellant. While the postal date indicates Respondent mailed his Brief on April 11, 2014. The envelope was not in the Appellants P.O. Box until Monday and was picked up at 11:15 a.m. which I believe only gave the Appellant 4 1/2 hours to file a response as the current dead line is today April 14, 2014

SC Court of Appeals

Dear Honorable Kitchings:

RE: Case No. 2012-205726

I am writing this letter to express my concerns about the documents that were sent April 14, 2014 and returned in the above case, which I re sent by Certified Mail on April 23, 2014. As of this date I have not received the signature cards to indicate the Appeals Court has received the documents. I'm not sure if I should re-send the documents, which would have to be copies. I checked with the post office and the documents are confirmed as having been sent, but not delivered.. I have my receipts as proof of mailing. It is very important for me to get the Answer and information before the Court of Appeals in a timely manner.

I am sending by fax the information I sent April 23, 2014.

Since there is a question from the Respondent regarding the information and court orders from the Court of Appeals in a timely, manner. I have enclosed copies of the envelopes for the mail I received from the Court of Appeals with the postal date the letters were mailed and the postal date I received the letters. Also, enclosed is a copy of the signature card for certified mail for the documents I sent November 18, 2013 to the Court of Appeals. As indicated on the signature card the postal date indicates I received the card was December 31, 2013.

The post office has been very helpful to monitor our mail and stamped the date on the envelopes, certified mail and all legal mail received in our P.O. Box. There is a postal investigation of the individuals involved I am limited to what I can say at this time.

If appropriate and to save time please sent me your answer by fax. (864)-292-1687

I appreciate the courts consideration for my request.

Sincerely,

Mary Ellen Harris, Pro se
