Notice of Appeal

I, William T. Watts II, am giving notice of my appeal. I re-allege pages 1-11. This is appeal is in addition to my previous appeal mailed on May 14, 2014 and is based on the Fourth Amendment to the United States Constitution which guards against unreasonable searches and seizures.

The law allowing unregulated and unlimited x-ray searches is unreasonable and unconstitutional.

I am requesting oral arguments. I am requesting the immediate stop to the use of x-rays.
