Re: Town Of Six Mile vs. Dan Ward
Appellate Case No. 2013-001628

Date of letter: May 21, 2014

I, Dan Ward, have received and read the court's notification about my changing counsel and becoming Pro Se. After consultation I am in need of this court extending my appeal by 15 more days to the date of Monday June 9, 2014.

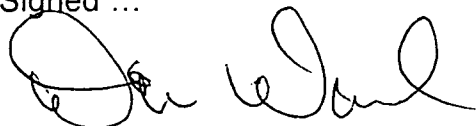

This time will allow me to properly file my appellate case now that I have been advised on what to do.

Time constraints, personal matters out of my control, meetings pertinent to my case with multiple entities, and confusion with what I was suppose to do have limited me in getting my case together over the time period prescribed by the court.

I am now clear on all matters.

I assure the court that I will have this matter answered with my initial brief and designation on or before the 9th Day of June 2014.

Signed ...
