Re: Columbia Venture, LLC v. Richland County
Appellate Case No. 2013-001067

Dear Counsel:

As you know, the Court in its order of February 20, 2014, directed the parties to pare down the record and a revised record on appeal has now been filed. This order did not specify the procedure to be used by the parties in completing this culling process, but both parties served and filed amended designations of matter. Since this process has now been completed, no action will be taken on your motion to file an amended designation of matter although that document is on file with this Court.

Very truly yours,
