RE: Charles Christopher Williams: 2013-1945

S.C. SUPREME COURT

Dear Mr. Shearouse:

I am preparing the Appendix in the above case which will be delivered soon by Ricoh in Columbia. Exhibit 31 was a manual or text book entitled, Fetal Alcohol Syndrome, by Stratton, Howe and Battaglia. I have spoken to Mr. Zelenka, and we are in agreement that instead of copying the entire manual for the appendix, only pages that were actually cited are in the appendix, and I have instead enclosed a copy for the Court's convenience. The actual exhibit is also available from the Clerk of Court or I can order additional copies if the Court desires.

I would also bring to your attention several exhibits that are probably crisper than the reproductions included in the appendix. This would include Plaintiff's Exhibits, 35, 36, and 40, and Defendant's Exhibits 1-5. I would suggest the Court may want to have these exhibits transferred to the Court for its convenience.

If there is anything I can do in this regard, please do not hesitate to contact me.

Sincerely,

Derek J. Enderlin
