Re: Geneva Watson v. Xtra Mile Driver Training, Inc. and Hartford
Underwriters Insurance Co.
Appellate Case No.: 2010-174006

Dear Mr. Shearouse:

I have received a call from your office inquiring as to the status of the above referenced matter. As you know the Appellant filed a Petition for Certiorari with the Court. Prior to that Petition being determined, the parties advised the Court that we had settled the case and that we would seek approval from the Workers' Compensation Commission. As part of the approval by the Workers' Compensation Commission the parties are required to set aside certain monies for future medical in a Medicare Set-Aside fund approved by the Centers for Medicare Services (CMS).

The parties have petitioned CMS for an approval of the amount set-aside and are awaiting a response from Medicare as to whether those amounts are satisfactory. Once we get that determination from Medicare we can then submit the settlement to the Commission and advise the Court that the settlement has been consummated.

I apologize for the delay, but unfortunately it is out of the parties control. We await a determination by Medicare. Please advise me if the Court requires something further.

By copy of this letter I am confirming this correspondence with Kate Walton representing the Respondent.

With kind regards, I am

Yours truly,
