Affidavit of
Timothy Murray

I, Timothy Murray having been first duly sworn, testify and depose as follows:

1. On March 6, 2002, Chadwick Teasley was arrested for being in possession of a white powder substance that the officers tested to be positive for methamphetamine.
2. This incident occurred in the parking lot of the Parker Brothers Night Club off of Howell road in Greenville, S.C.
3. That night I was standing near the arrest incident and I was watching as Chad Teasley and his cousin was being arrested for the baking powder of which the officers had assumed was methamphetamine, and they were both charged with being in possession of illegal drugs.

4. Before the incident of their arrest had occurred, I personally knew that Teasley was not in possession of any illegal substance of Methamphetamine nor cocaine.

5. And several months after his arrest, all his charges were deposed of upon the circumstances that the white powder was lab tested to be no controlled substance.

Wherefore, I certify that the above account of events are true and correct to the best of my recollection.
