Re: The State v. Lou Ann Robinson
Appellate Case No. 2013-000293

The Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served and filed June 4, 2014. However, due to a heavy workload, I am requesting a 30-day extension. This is the second extension request in this case, and it is not intended for the purpose of delay. By copy of this email, I am advising counsel for Appellant, David Alexander, Esquire, of this extension request.

Sincerely,

William M. Blich, Jr.
