**S.C. SUPREME COURT**

RE: Margaree Maple v. Heritage Healthcare of Ridgeway  
Appellate Case No. 2012-212605

Dear Mr. Shearouse:

Unfortunately due to my schedule, this is to request an extension for the filing of the Brief in the above referenced matter upon which certiorari has been granted by the Supreme Court. I really do not know what amount of time to request or what the Court would consider granting because quite frankly I have been trying for the last three weeks to find a day in my schedule to where I could go to the library and update my Brief and prepare a Brief on the very important issues that I believe the Court wants to hear and which is necessary in my opinion in the best interest of my client. I say that in reference to my request for an extension because I have scheduled a family vacation for June 27<sup>th</sup> through July 15<sup>th</sup> and between now and the 26<sup>th</sup>, I have two briefs due to the Workers' Compensation Commission, two hearings in the Circuit Court, one of which involves a Declaratory Judgment action and the constitutionality of a statute, another case on a non-jury roster, hearings and several other Pre-Hearing Briefs in major cases before the Workers' Compensation Commission, a full day set mandatory mediation, along with depositions, etc. etc., as part of a trial practice. Quite frankly I do not know how I am going to do all of that, much less find the time before the 27<sup>th</sup> to get the Brief done, but I will if that is the extension the Court allows me.

Normally, I would request an extension of somewhere

between 15-30 days and would request that the Court grant me an extension at least until the 27<sup>th</sup> of June but if possible I would sincerely appreciate it if the Court would consider because of my schedule and vacation an extension until the end of July to file the Brief. If the Court cannot grant that, or if there is an objection from Defense Counsel on this case, I fully understand.

The \$25.00 required filing fee is enclosed and by copy of ~~his letter~~ I am notifying ~~Dan Addison~~, a worthy advocate, good friend, and the defense attorney in this case of this communication and request.

I look forward to hearing from the Court as to the extension I am seeking.

Sincerely yours,

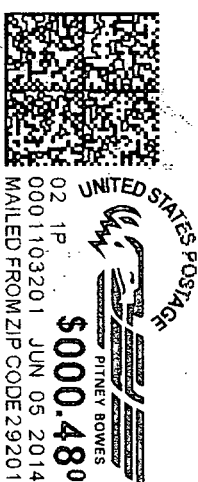

Preston F. McDaniel
