

The South Carolina Court of Appeals

The State, Respondent,

v.

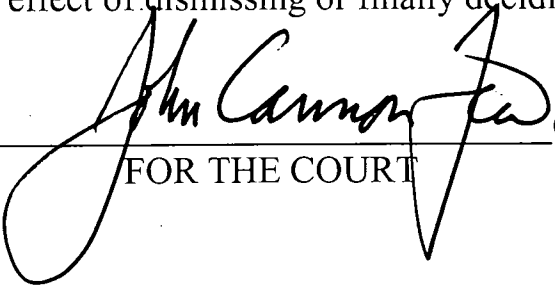

Tyrone J. King, Appellant.

Appellate Case No. 2012-213461

ORDER

On May 23, 2014, this court granted Respondent's motion to file its initial brief and designation of matter out of time. Appellant has now filed a letter noting the court granted Respondent's motion prior to receiving Appellant's return and asking the court to consider his return and reconsider our order.

We decline to reconsider our order. *See* Rule 241(i), SCACR ("The court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal.").
