Property Owners' Association, Inc., Defendants,

Appellate Case No. 2013-002281

ORDER

Appellants have filed a motion seeking reconsideration or clarification of this Court's order of April 10, 2014, which granted Respondent's motion to strike items three and four from Appellants' designation of matter. Appellants note they filed their final briefs and the record on appeal on April 1, 2014, and ask that they be excused from editing, reprinting, rebinding and refileing their briefs and the record on appeal.

To the extent Appellants are requesting that this Court reconsider our order, we decline to consider the request. *See* Rule 240(i), SCACR (The court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal). However, we clarify our April 10, 2014 order to explain that Appellants may amend the record on appeal by redacting or removing the stricken documents from all copies of the record filed with this Court. Appellants shall serve and file amended final briefs that omit all references to the stricken documents within thirty days.
