

The Supreme Court of South Carolina

James B. Curry, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2014-000577

ORDER

By order dated May 7, 2014, the notice of appeal in this matter was dismissed based on petitioner's failure to meet the requirements of Rule 243(c), SCACR. Petitioner has filed a petition for reinstatement, which we have construed as a petition for rehearing. After careful consideration of the petition, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

C.J.
