Re: Anderson County v. Joey Preston  
Appellate Case No. 2013-002499

Dear Counsel:

The Court received your request for a protection order. We do not typically grant broad protection of the type requested. If you would like to request an extension of time to meet some deadline pursuant to the South Carolina Appellate Court Rules (SCACR), you must do so by filing a motion pursuant to Rule 240, SCACR. Should the Court decide to set this case for oral argument, you will be notified by letter of this Court of the possible dates for argument. At that time, you can send the Court a response to let us know the dates on which you have a conflict. Accordingly, we are returning your filings to you and will take no further action herein.

Very truly yours,
