MEMORANDUM IN SUPPORT OF MOTION TO STRIKE

In this action, the Respondents have presented Designation of Matters to be included in the Record on Appeal, attached hereto as Exhibit "A". Within the attached Designation, Respondents seek to include within the record on appeal, the following document which was not submitted to the lower court: a) Verdict Form, Filed November 8, 2013. The above mentioned designation did not exist at the time the final order at issue in this appeal was entered. Further, the noted information was not argued to the lower court during oral arguments. It is an axiomatic rule of law that issues may not be raised for the first time on appeal. *Tally v. South Carolina Higher Education Grants Committee*, 289 S.C. 483, 347 S.E.2d 99 (1986). Appellants in this action should not be required to brief or respond to matters not previously argued or submitted to the lower court.

Thus, pursuant to South Carolina jurisprudence and Rule 210(c) SCACR, the record shall not include matters which were not presented to the lower court or tribunal.

Appellants pray that this item be stricken from the proposed record and that any reference or arguments surrounding this item stricken from the record be removed from Respondents' Designation of Matter.
