In the Supreme Court
Appeal from Spartanburg County
J. Mark Hays II Circuit Court Judge

Appellant Case No.
2013-000215

Jeffrey E. Guter #131471

Petitioner,

Motion to Amend
to Pro-sec Brief

v.

Respondent,

State of South Carolina

Now comes Petitioner Jeffrey E. Guter with Amendment to Pro-sec Brief that was filed on the Supreme Court on Sept 20, 2013. This Amendment is to show what Appellate Counsel was ineffective for not filing the paper work that needed to be filed to show grounds for my appeal and that is something he felt to do also. I need every spoke to the man and show how I knew he was my Counsel the only way I knew who he was was because of the paper work that the Clerk of Court sent to me showing where my appeal had been dismissed. And I did not had my family to contact the Clerk office about my appeal had been dismissed of 12/2/10 and I did not get a copy until 3/19/11 which had put me three months in to my P.C.D. which time only allow one year after your appeal has been ruled on. And I ask that the Court like at the exhibits that I have attached to this Amendment, an exhibit will show that Anthony C. Wilbert is the Counsel of Court. And I ask this Court not to only look at this motion take a look at the plea transcript and the motion for recapture and the P.C.D. transcript and you will see not only was I tricked out of my plea by the state but know one really could help happen after I was sentenced my plea Attorney abandoned me then my appeal attorney new who me are put in contact with me at 211. But the Attorney General say that I asked to withdraw my appeal, so what I want you to see this is know paper work showing that I asked to withdraw my appeal, its like every Counsel I knew I was being shot down they dont want me to fight this case, now I ask this Court to please look at this case I only plead for the first year and five year Prob. Everything to run together and this what I am asking that 211 my sentence be run together
