Re: Christopher A. Wellborn v. City of Rock Hill
Appellate Case No. 2013-002580

Dear Counsel:

It has come to the Court's attention that the respondent's designation of matter does not specify the page numbers for each of the transcript(s) the respondent has designated to be included in the record on appeal. Therefore, counsel for the respondent is to serve and file an amended designation of matter no more than ten (10) days from the date of this letter. Failure of respondent to file an amended designation will result in exclusion of Items 3 and 7 of respondent's designation of matter.

All parties are advised the record on appeal must be served and original proof of service filed no more than twenty (20) days from the date of service of the respondent's amended designation of matter.

Very truly yours,

V. Claire Allen, Deputy

CLERK
