State of South Carolina ) of time  
Case No: 2013-000456

The petitioner, Rece Antonio Godbolt, in the above caption action respectfully motion this honorable court for an extension of time to draft and file a Pro se brief pursuant to Johnson. The petitioner's current deadline to research, draft and submit the Pro se brief to the Supreme Court of South Carolina is June 27, 2014. The petitioner respectfully request an additional extension time of forty-five (45) days within which to research, draft, perfect and submit the Pro se brief for the following good cause shown:

- 1) Petitioner is a layman to the law and is attempting to litigate this brief as a pro se litigant.
- 2) The petitioner is an incarcerated individual and therefore is subjected to the schedule and availability of the Prison law library at his assigned institution. The law library at Broad River Prison has alloted one day per week for law library access for the inmates assigned to the dorm in which Petitioner is housed.

3) The additional extension time of forty-five (45) days equates to six (6) visits to the prison law library at Broad River Prison.

4) The petitioner is assured that if given the additional forty-five (45) days he will be able to submit to this honorable Court a competent, clear and articulate brief to allow this Court to evaluate the merits of Petitioner's case and render a determination which affords Petitioner Due Process.
