

The South Carolina Court of Appeals

Gloria Parker, Employee, Respondent,

v.

Fairfield County School System, Employer, and S.C.
School Boards Insurance Trust, Carrier, Appellants.

Appellate Case No. 2014-000269

ORDER

Respondent has filed a motion to dismiss this appeal for failure to prosecute and failure to comply with the South Carolina Appellate Court Rules. Respondent explains that "not only have the appellants failed to file an initial brief, they have failed to even order the transcript." Appellants filed a return, alleging the motion to dismiss for failure to prosecute is moot because Appellants have now served and filed their initial brief.

Within ten days, Appellants shall provide this Court with proof that they timely ordered the transcript as required by Rule 207(a)(1), SCACR, and they shall serve and file their designation of matter as set forth in Rule 209, SCACR. Upon receipt, or the expiration of ten days, this court will consider Respondent's motion to dismiss.
