

The South Carolina Court of Appeals

T. Terell Bryan, #254638, Appellant,

v.

South Carolina Department of Corrections, Respondent.

Appellate Case No. 2014-000366

ORDER

Appellant has filed a "motion for a more definite order," which this Court construes as a petition for rehearing from the dismissal of his appeal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
