Re: Appellate Case No. 2011-192411

Dear Ms. Hopkins,

Per our conversation last week, please add to the file that Ridge Environmental LLC will not obtain counsel for this matter. Ridge Environmental LLC does not have the funding to respond to such a request nor do I personally have the money to spend on the matter. If it pleases the court, I request that the Supreme Court of South Carolina appoint counsel for representing Ridge Environmental LLC in the case.

Best regards,

Mark Vaughn
