To all –

I have spoken with Mr. Dudek. Please be advised that if the remittitur was not issued prior to the Clerk's receipt of the petition, the State has no objection to the timeliness of the filing.

Sincerely,

Don Zelenka

Jenny:

Attached is the petition for an extension to file the certiorari petition in the above-captioned case that was filed yesterday in the Supreme Court, and also to file it out of time due to administrative inadvertence. The petition was also filed in your Court yesterday. I have not had a chance to talk to Don Zelenka about his position on this yet. The case management system shows rehearing denied as the last action on this case so I think this would be all the action that needs to be taken at this time. I will call you later today about this or feel free to call me. Thank you –
