

The South Carolina Court of Appeals

Larry Dinkins, Appellant,

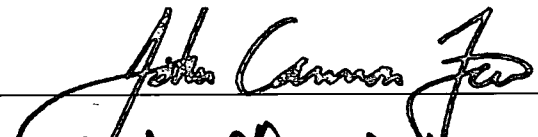

v.

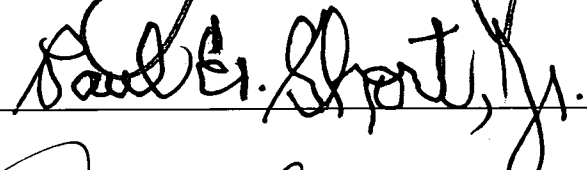

Cooper Tools, Inc., and Indemnity Insurance Company
c/o ACE USA/ESIS, Respondents.

Appellate Case No. 2013-000300

ORDER

Appellant has filed a "Motion for Rehearing," arguing the panel incorrectly construed his previous filing as a petition for rehearing. It is this Court's policy to construe filings such as Appellant's filing labeled "Motion to Reinstate Appeal" as a petition for rehearing. Therefore, after careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
