SC Court of Appeals

State Of South Carolina.....Respondent,

v.

William Deans.....Appellant.

---

APPELLANTS REQUEST FOR CLARIFICATION OF COURT ORDER  
Dated as filed 6/16/2014 signed Carl E. Short for the Court.

---

On 6/18/14 Appellant received an Order requiring Appellant to Strike numbers 2,3,6,7,9 and 10 from Appellants designation of matter and striking Appellant's exhibits. \

And, ordering that "exclude any reference to these documents".

Appellants understands that he can not argue any of these documents,

Please, clarify does this order (forbid) Appellant from stating in [his] Statement of the Case that Appellant raised these matters up to the court, and that the lower court denied relief based on the subject matter of the stricken documents =, which arguably is "Conditions Present", which Appellant is ordered not to reference in (arguments on this appeal).

Appellant simply would show that yes these were raised but was denied due Res-judicata.,

Wherefore, Appellant moves this Court for clarification, that Appellant is permitted to state the facts but is not allowed to use these stricken documents in the body of [his] Second Amended Initial Brief On Appeal..

Respectfully submitted by,
