Dear Mr. Robinson:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- A proof of service showing that a copy of the notice of appeal has been served on the Administrative Law Court has not been provided as required by Rule 203(b)(6), SCACR.
- According to Rule 203 of the South Carolina Appellate Court Rules, a notice of appeal must include the name of the court from which the appeal is taken; the judge's name; the lower court docket number; the date of the order being appealed; a statement of when the appealing party received the decision from which the appeal is taken; the name of the appealing party; and the names, mailing addresses, and telephone numbers of all attorneys of record and the names of the party or parties represented by each. An amended notice of appeal containing all this information must be filed.

Very truly yours,
