) THIRTEENTH JUDICIAL CIRCUIT

) CASE NUMBER: 2007-CP-23-02755

) **CITY OF GREENVILLE'S**
) **MEMORANDUM IN SUPPORT OF**
) **DISMISSAL OF APPEAL**

This civil action is an appeal from the City of Greenville's revocation of the business license of Amrik Singh and SBPS dba as the Travel Inn on Wade Hampton Boulevard. The Respondent City of Greenville (the "City") requests this Court to dismiss the appeal for the reasons set forth in this memorandum.

CASE HISTORY

The City revoked the license in August, 2006, on the grounds of nuisance stemming from conditions on the property and an excessive number of police calls to the premises. Thereafter, there were administrative appeals at the City level, with the matter coming before the City Council for hearing on November 15, 2006. Council did not set aside the decision of the City Manager to uphold the revocation, but deferred the effective date of the revocation until the completion of a probationary probation period of sixty days. It also authorized the City Manager at the end of sixty days to make a decision to either terminate the license or to extend the probation period. The City Manager extended the probationary period for one year on February 20, 2007. However, on March 30, the City Manager sent to Singh's attorney a letter finally revoking the license effective April 30, 2007. The letter identified a series of incidents that led to the decision. Singh appealed to the Court of Common Pleas On April 25, 2007. The Honorable Edward Miller heard the case on May 30, 2007 and issued an order on June 19, 2007, directing the City to hold an additional hearing. The City appealed that order to the Court of Appeals. The Court of Appeals reversed on July 29, 2009 and found that the City did not need to

hold any additional hearings on the matter. The Court of Appeals remitted the matter to the Court of Common Pleas for Greenville County for a hearing on all other issues raised by the appeal.

LEGAL STANDARD OF REVIEW

The case law of this state has established a clear legal standard for the scope of judicial review in assessing a municipality's exercise of its police powers in applying its ordinance to any set of facts:

A municipal ordinance is a legislative enactment and is presumed to be constitutional. *Southern Bell Telephone and Telegraph Co. v. City of Spartanburg*, 285 S. C. 495, 331 S.E.2d 333 (1985). The exercise of police power under a municipal ordinance is subject to judicial correction only if the action is arbitrary and has no reasonable relation to a lawful purpose. *Town of Hilton Head Island v. Fine Liquors, Ltd.*, 302 S.C. 550, 397 S.E.2d 662 (1990), *Bob Jones University v. City of Greenville*, 243 S.C. 351, 133 S.E.2d 843 (1963)

Town of Scranton v. Willoughby, 306 S.C. 421, at 422, 412 S.E.2d 424, at 425 (1991). See also, *Denene, Inc. v. City of Charleston*, 359 S.C. 85, 596 S.E.2d 917 (2004). Thus, in this case, the Travel Inn bears a heavy burden of persuasion to prevail, and can not prevail absent establishing the City's action has no reasonable relation to lawful purpose.

ARGUMENT

Revocation Ordinance. The basis for revoking a business license and the process to be followed is set forth in the City Code. City Code § 8-43, "Denial and revocation," and City Code § 8-44, "Notice of denial or revocation; hearing; appeals," are attached to the memorandum as **EXHIBIT 1, "City Code Provisions on Revocation of a Business License."** Two bases for revocation are the operation of a nuisance arising from frequent arrests and the police making an unusually high number of response calls, regardless of the arrests made.

Repeated Police Calls, Incident Reports, and Charges. The individual incidents of the case are numerous, but can be described generally as perpetually uncorrected circumstances on the premises leading to a large number of police calls. Over a two year period from April 2004 to August 2006, the Greenville Police had 918 calls for police service due to events occurring at the Travel Inn. Between April 2004 and August 2006, 918 calls for Police service came into the LEC dispatch for a single location: the Travel Inn on Wade Hampton Boulevard. Of the 918 calls, 194 resulted in incident reports, 46 were drug related, 34 were trespass after notice, 12

were assaults, 2 were assault and battery with intent to kill, 2 were armed robberies, 9 were stolen vehicles, 15 were petty larcenies, and 4 were disorderly conduct. Moreover, we know from the testimony at the initial hearing before the hearing officer, Steve Landrith, that the surrounding premises were affected, such as the beauty shop across the street where persons coming from the travel Inn would enter to ask customers for money. See **EXHIBIT 2, "Revocation Hearing Transcript"**, p. 18.

Impact on Police and Police Availability for Other Calls. In the case of Travel Inn, there is no way to excuse or explain away the fact of 918 calls for Police service came into the LEC dispatch for a single location. The number and type of calls are self evident proof that the manager of the premises could not or would not gain control of circumstances under his control. There is no compilation of all the hours and hours dedicated by the police to response service calls to the Travel Inn. If we make the reasonable assumption that the average time was twenty minutes for the responding officer, then the total amount of time for a single office would be 306 hours. Once we realize that most required some type of back up, and then we can reasonably double that figure. The serious events would likely require more than two officers. Thus, for hundreds of hours in a two year period police personnel had to spend time dealing with the Travel Inn and were not available for other patrol and emergency response duties at other locations at the same time. The original decision to revoke the license is sound.

Basis for City Manager's Action. The City Manager's decision in February 2007 to continue the probationary period was insightful. In the few short weeks following the end of the original probationary period a suspect in a homicide case at the nearby Regal Inn on Wade Hampton was found on Travel Inn premises where he was holding up in a room registered simply to "Bill." There was no full name registration for the guest and no ID associated with the registration. It had been a longstanding practice of the Travel Inn to rent rooms to persons who simply registered with a first name – either real or fictitious. The conditions of probation for continued operation required that all guests be registered with a first and last name, and that the name be supported by an ID. Not only was it clear that the Travel Inn was slipping back into its usual course of conduct, but it did so with frightening consequences, the harboring of a homicide suspect.

Ongoing Problem of Minander Kaur. The month of March revealed the continuing presence of Singh's daughter, Minander Kaur. Ms. Kaur has an extensive criminal record. See

EXHIBIT 5, "Case File: Minander, 'Lucky,' Kaur." At the business license revocation hearing before City Council in November, 2006, Singh, through his attorney, represented that his daughter had vacated the premises and moved to Clemson and would not be living there any more. Yet when a sheriff's deputy arrived to arrest her on two counts of forgery, he found Minander Kaur was staying on the premises and apparently working there as well. Moreover, when he arrived he was told that she was not there but was on the road to Anderson. This is the same daughter who had stolen credit cards from customers of "Taste of India" restaurant where she worked on the same grounds as the hotel. On one occasion she had defrauded her own father by reporting a cash theft of funds to get her boy friend out of jail. The pattern of nuisance conduct was occurring.

The Last Drug Arrest. Finally, on March 14, 2007, two men returning to their rooms at the Travel Inn were arrested in the Travel Inn parking lot for crack cocaine violations.

Claimed Innocence. Singh says often that he did not know there were violations occurring or that there was nothing he could do about the actions of others. Yet the person who manages the business and the premises is always the very person responsible for correcting patterns of behavior that a normally responsible person would address when the matters were brought to his attention. Mr. Singh acknowledged at the hearing before the hearing officer that he was the manager of the premises. **EXHIBIT 2, p. 54.**

Singh Responsible. Singh also says from time to time that he was not the "owner" of the business until April, 2006. The argument avoids recognizing that at all relevant time he was the manager of the premises. It ignores that he himself signed the business license application and renewals in 2003, 2004, 2005, and 2006. **EXHIBIT 6, "Travel Inn License Applications and Renewals of Amrik Singh."** The thread tying the events of those years together is the continuing presence of Amrik Singh as the person in charge of the Travel Inn premises. Singh's inability to come to terms with his daughter's presence and the ongoing crimes and disorderly conditions renders null the distinction he tries to make between ownership and management responsibility for the premises.

CONCLUSION

At all times during 2004 through 2006, the Travel Inn was under the control of Amrik Singh and his daughter. It was a continuing source of fights, disorderly conduct, and drug activity. It was a recurring and continuing destination for police visits, often for things that

competent and responsible managers would have handled at any other location. Amrik Singh admits he was the person responsible for the management of the premises. It is clear that he could not or would not manage the Travel Inn, but allowed others to get out of control. The Travel Inn was a continuing detriment to the safety of its guests and residents, to nearby businesses, the surrounding neighborhood, the Greenville Police, and the public at large. Over a long period of time, Amrik Singh passed over opportunities to get his house in order. Restoring the business license would come at great risk to the public and detriment to the Greenville Police. The Travel Inn can not show that the City acted without reasonable cause. The revocation should be upheld.

Exhibit 1

City Code Provisions on Revocation of a Business License

Sec. 8-43. Denial and revocation.

(a) Generally.

- (1) The city manager, or his designee, shall have authority to deny or revoke any business license under the provisions set forth in this article.
- (2) For a period of one year after a revocation of a business license, no new license shall be granted to:
 - a. The same licensee; or
 - b. The licensee's agent or any person who can be shown to be acting on the licensee's behalf in attempting to do business in the city.
- (3) For a period of one year after a revocation, no business license shall be granted to any applicant for the operation of the same or similar type of business in the same location without a detailed report compiled from city departments with knowledge or information acquired on the new applicant and the proposed business activity. If the report supports a finding that the new applicant and proposed activity will circumvent the effect of the business license revocation, or that issuance of a new license will perpetuate the conditions giving rise to the revocation, then no new license shall be issued.

(b) Grounds for denial or revocation. A license application under this article may be denied, or an issued license may be suspended or revoked, upon any of the following grounds:

- (1) The applicant, the licensee, or the person directly in charge of the business premises for the licensee, within the last ten years has been convicted, forfeited bond, or plead guilty or nolo contendere for the violation of any local, state, or federal law, pertaining to the following offenses:
 - a. Sale, possession, storage, or transportation of intoxicating liquors, wine or beer;
 - b. Sale or possession of narcotics or other controlled substances;
 - c. Gambling or the sale of illegal lottery tickets;
 - d. Sale or promotion of obscenity;
 - e. Prostitution or soliciting for prostitution;
 - f. Sale or possession of weapons; or
 - g. Crimes of violence, including but not limited to homicide, assault; and battery, criminal sexual conduct, or attempts to commit such acts.

However, a minor offense, subject to the jurisdiction of municipal and magistrates courts, shall not be considered a basis for denial or revocation when the conviction, plea, or forfeiture is more than five years old.

- (2) The licensee's operation of the business constitutes a public nuisance, provided the determination of the public nuisance arises from one or more of the following activities on the premises or in the immediate vicinity thereof and the licensee

has actual or constructive knowledge of the activities:

- a. Frequent arrests of persons for crimes of violence, possession or sale of controlled substances, possession or sale of deadly weapons, the discharge of fire arms, excessive noise, disorderly conduct, prostitution, disturbance of the peace, and the illegal acts correspond with or relate to the hours of operation of the business operations of this licensee;
 - b. The police make an unusually high number of response calls, regardless of arrests, to the business premises, or to the immediate vicinity, and the high number of response calls corresponds with or relates to the hours of business operations of the licensee;
 - c. There are ongoing and significant deposits of litter and debris in the immediate vicinity, whether the persons making the deposits can be identified or not, when the litter and debris relate to the business operations of the licensee; and
 - d. Material violations of property maintenance codes, environmental codes, fire code, and building codes where violations are applicable to the business premises.
- (3) Failure to provide sufficient security measures to protect people and property located on the premises, and to protect people and property located in the immediate vicinity when the immediate vicinity is affected by the business operations of the licensee;
 - (4) The provision of materially false and inaccurate statements in the business license application or to a city official at the time of application;
 - (5) Failure to pay municipal taxes or fees applicable to the premises or business operations when due, including but not limited to personal and real property taxes, hospitality taxes, accommodation fees and accommodation taxes, property assessments, sewer fees, stormwater fees, and fire alarm and false alarm fees;
 - (6) Failure of an applicant or licensee to show current compliance with applicable state laws related to the operation of business activities, including but not limited to any requirement to maintain sanitary kitchen facilities, to be in compliance with permitting requirements for the service of alcoholic beverages, beer and wine, or to pay state taxes and fees related to business operations in a timely manner.
 - (7) Failure to provide full payment to the city within ten days of notice of a check returned to the city for insufficient funds. Full payment means the full amount due of the original check plus costs and fees assessed to the city by its bank for the return of the check presented, as well as any return check fee otherwise assessed by the city.
 - (8) Failure to provide substantiation, when asked by the city, that the actual business use of the location for which a business license has been applied for or granted, complies with what is allowed at the location under the city's zoning ordinance. Nothing in this provision shall be interpreted to abrogate or limit any variances, special exceptions, or lawful nonconforming uses, previously established under the city's zoning ordinance. In the case of amortization of

signs, structures, and uses, the business owner must demonstrate that the amortization period has not expired. In instances requiring an interpretation of the zoning administrator, such interpretations may be rendered in accordance with the duties assigned to the zoning administrator under the zoning ordinance.

Sec. 8-44. Notice of denial or revocation; hearing; appeals.

- (a) *Notice.* Where grounds exist to deny or revoke a license under this article, the business license administrator shall provide written notice to the licensee or applicant setting forth the grounds, revoking the license effective 45 days from the date of the notice, and advising the licensee or applicant of appeal procedures.
- (b) *Hearing.* The applicant or licensee may, within five working days from the date of the notice, request a hearing to contest the grounds or request an extension of time to close the business. The hearing shall be held within 15 days unless additional time is allowed by the city manager. The hearing officer shall be a supervisory employee designated by the city manager. The licensee or applicant may be represented by an attorney and may present witnesses, affidavits and any relevant documentary evidence. The licensee may view and copy any documentary evidence prior to the hearing. Formal rules of evidence shall not apply. The hearing officer shall prepare a summarized report of the hearing, to include his findings and recommendations, which shall be submitted to the city manager, who shall take final administrative action, notifying the licensee or applicant in writing. Unless extended in writing by the city manager, any revocation is effective 45 days from the date of the original notice to the licensee.
- (c) *Appeals.* An appeal, which shall not stay the revocation, may be taken upon the written record to the city council. Notice of such appeal shall be served upon the city clerk within five days from the final action by the city manager, specifying the grounds for the appeal and the action requested. The record shall consist of the report of the hearing officer, any documentary evidence presented at the hearing, and the written appeal. The council may, in its discretion, hear oral arguments on the appeal.

1 MR. LANDRITH: (Tape begins in
2 middle of sentence) --- officer for
3 the business license revocation. I
4 want to take the opportunity to
5 explain how today's hearing will
6 work. It is an informal hearing in
7 the fact that rules of evidence do
8 not apply. The format for the
9 presentation information the City
10 will present documentation and
11 evidence that led to the revocation
12 of the business license. They will
13 present evidence, witnesses as they
14 see fit. Mr. Holmes, you will be
15 able to submit any document
16 evidence. We will ask questions of
17 anything that is submitted. At
18 that point in time --- there will
19 be no decisions made today. I'm
20 just gathering the information. At
21 the end of the day's hearing I
22 will review all documentation and
23 testimony given. I will make a
24 recommendation to the City Manager.
25 The City Manager will take final

JUDY COMP & ASSOCIATES, INC.

1 action whether to uphold the
2 revocation or make some other
3 determination. After he makes his
4 final recommendation, if he decides
5 to uphold the revocation, if that
6 is the case, you will have five
7 days to appeal that decision to
8 City Council. That will have to be
9 submitted to the City Clerk in
10 writing within five days. I am
11 passing around a sign-up sheet, so
12 if everyone would please sign that.
13 As we are under recording today, if
14 you would, when you first start
15 making comments, if you would
16 identify yourself so I can
17 recognize all the voices on the
18 tape when I go over that. Any
19 questions regarding the format of
20 the hearing today? If not, I'll
21 open it up for the City to present
22 their position.

23 MS. GAMMONS: Thank you, Mr.
24 Landrith. Jonathan Simons will
25 give the reasons why this business

JUDY COMP & ASSOCIATES, INC.

1 license revocation should be
2 upheld.

3 MR. SIMONS: All right. My name
4 is Jonathan Simons. I am the
5 Interim Director of Office
6 Management and Budget. I am also
7 the Business License Administrator.
8 On June 16th Lt. Randy Evett of the
9 City of Greenville Police
10 Department came to me to review
11 information on calls for service he
12 had compiled on April 1st of 2004
13 to June 16th of 2006 at the Travel
14 Inn located at 755 Wade Hampton
15 Boulevard. The police department
16 was seeking revocation of the
17 business license due to the
18 business becoming a nuisance. I
19 will be --- here are the calls for
20 service that were provided to me by
21 Lt. Evett. I'll be giving those to
22 the Hearing Officer to review.
23 From April 1st, 2004 to June 16th,
24 2006 there are approximately 918
25 calls for service with 194 calls

JUDY COMP & ASSOCIATES, INC.

1 requiring an incident report. The
2 most serious incident reports are
3 as follows: 46 drug-related
4 violations; 34 trespass after
5 notice and notice given; 12
6 assaults; two assaults and battery
7 with intent to kill; two armed
8 robberies; nine stolen vehicles; 15
9 petty larcenies; and four
10 disorderly conducts. There were
11 also two control purchases of crack
12 cocaine from the manager of this
13 location, Manenda Kaur --- I
14 believe, I apologize if I've
15 mispronounced that name --- on
16 March 22nd and 23rd of 2006. The
17 narcotics unit also conducted
18 several reverse prostitution stings
19 on the roadway in front of this
20 location. Lt. Evett met with the
21 owner's daughter to advise that
22 both the criminal activity and the
23 calls for service from this
24 location would have to lessen, or
25 the police department would be

JUDY COMP & ASSOCIATES, INC.

1 seeking revocation of the business
2 license. After Lt. Evett's visit
3 calls for service that required an
4 incident report actually increased
5 recording 140 incident reports to
6 be completed from May of 2005 to
7 June 16th of 2006. After reviewing
8 the information given to me by the
9 police department I agree that this
10 business is a nuisance detrimental
11 to the health and safety of the
12 welfare of the public. On August
13 2nd, 2006 I sent a letter notifying
14 the owner, Mr. Amrik Singh that the
15 City of Greenville was revoking the
16 business license of the Travel Inn
17 at 755 Wade Hampton Boulevard,
18 Greenville, South Carolina,
19 pursuant to section 8-44 and 8-45
20 in the City of Greenville Code of
21 Ordinances on the following
22 grounds: The numerous offenses and
23 activities that have occurred on or
24 near your business. The continued
25 operation of your business would

JUDY COMP & ASSOCIATES, INC.

1 constitute a nuisance detrimental
2 to the health, safety, and welfare
3 of the public because of the nature
4 and the frequency of the offenses.
5 The revocation is effective
6 September 16th, 2006. That is the
7 summary.

8 MS. GAMMONS: Thank you. The
9 City calls Lt. Randy Evett.

10 LT. RANDLE EVETT,
11 was examined and testified as follows:

12 DIRECT EXAMINATION

13 BY MS GAMMONS:

14 A. Yeah. I'm Lt. Evett with the
15 Greenville Police Department. I work
16 in the narcotics unit that manages
17 business --- or investigates business
18 license concerns, narcotics, drugs,
19 prostitution, gambling. Anything of
20 that nature, that comes under my
21 purview, so ---

22 Q. When did you begin your investigation
23 of what is now Travel Inn?

24 A. We actually started probably early
25 2004. We had been identified --- or

JUDY COMP & ASSOCIATES, INC.

1 been notified of several problems,
2 ongoing problems, out there with patrol
3 cars having to go out there constantly
4 on a steady basis to answer calls for
5 service out there, so it was brought to
6 our attention in 2004.

7 Q. And how did you begin your
8 investigation in 2004?

9 A. Initially I pulled the calls for
10 service. That's --- that's typically
11 just the amount of calls that the
12 police department is called there for a
13 problem. If it's --- no matter who
14 calls, if we go there for a problem, we
15 address that as a call for service, and
16 we can track that through our computer
17 aided dispatch system, and I pulled
18 those, and those seemed kind of high to
19 me then.

20 Q. Do you know who was managing that
21 business in 2004?

22 A. Yes. I actually called and talked to
23 Mr. Singh in 2004 and scheduled a
24 meeting with him to go over the
25 problems, discussed the problems, and

JUDY COMP & ASSOCIATES, INC.

1 took the folder, which was much smaller
2 then, of the calls for service out
3 there. When I got there I was advised
4 by a manager, who was his daughter,
5 that he was gone to a doctor's
6 appointment, and that she would handle
7 it because she was managing the hotel
8 at the time.

9 Q. Is this Manager Kaur, K-a-u-r?

10 A. Yes.

11 Q. And she identified herself as his
12 daughter?

13 A. Yes.

14 Q. And Singh is Amrik Singh?

15 A. That's correct.

16 Q. When you met with Manager Kaur what was
17 that conversation?

18 A. Basically again apprising her of the
19 number of calls for service that was
20 --- had kind of gotten out of hand, and
21 that we were being called there way too
22 often, and that it was concerning, and
23 that we were --- we usually --- we
24 approach the business person and say,
25 "This is a problem. We know it's a

JUDY COMP & ASSOCIATES, INC.

1 problem. We would like you to make
2 some kind of adjustments to correct the
3 problem" and then allow them to correct
4 the problem. That's --- that's
5 normally the way we do business, so ---

6 Q. How do you determine what's a large
7 amount of calls for service?

8 A. Well, it's not --- there's no definite
9 guideline, but what we tend to do is
10 --- is compare it to maybe surrounding
11 businesses or problems that we had
12 before, and what I did in this instance
13 I compared it to a hotel, which is
14 about two blocks up the street, the
15 Sunset Inn. By the same time frame,
16 918 calls from the Travel Inn, the same
17 location two blocks up only had 116
18 calls. The same time frame two blocks
19 up, so that --- and it's the same kind
20 of business, so that kind of gives you
21 a parallel almost probably not as big
22 as --- as the Travel Inn, but it's
23 comparable to the Travel Inn.

24 Q. And you don't have to go over all of
25 these 918 calls for service, but what

JUDY COMP & ASSOCIATES, INC.

1 were the types of calls? Why were
2 people calling? Why were police going
3 out to the scene?
4 A. A huge part of it was the prostitution
5 problem. Evidently the prostitutes
6 were staying at the hotel working
7 either out of the hotel, or come out on
8 the street on Wade Hampton walking up
9 and down the street. That kind of led
10 us --- we actually conducted a couple
11 of prostitution stings. There were
12 stings where we actually put a police
13 officer out there acting as a
14 prostitute so we can address on the
15 demand side of the problem. We did
16 that two times and made cases both
17 times as far as people riding by. They
18 knew the activity was somewhere ---
19 usually out front would be a --- so we
20 knew that that was a problem, so we
21 addressed the demand side of it by
22 conducting reverse prostitution stings
23 out there. Those were successful.
24 Another part of it was the --- the drug
25 problem. We --- we --- we --- our

JUDY COMP & ASSOCIATES, INC.

1 uniform officers were being called out
2 there about drug problems in the rooms.
3 Not just one room. It would be many
4 rooms where people were either
5 participating in illegal drug use, or
6 selling illegal drugs. We've made
7 actually controlled buys from there.
8 There's drug activity, assaults,
9 prostitution. We didn't really run
10 into a lot of gambling, but that's the
11 only vice-related crime that we didn't
12 --- that we didn't notice there.

13 Q. And these are what you encountered on
14 your calls for service?

15 A. Yes.

16 Q. Now, could you please tell us briefly
17 about the incident reports. Mr. Simon
18 has already presented those to Mr.
19 Landrith, but just give us a summary of
20 those incident reports.

21 A. Again, as --- as John said, it's mostly
22 the majority of them were drug-related
23 incidents where we --- we made some
24 arrest of someone that either had drugs
25 on them, or they were selling them, or

JUDY COMP & ASSOCIATES, INC.

1 we bought drugs from them, one or the
2 other. It was mostly drug related, and
3 what we do is we do --- we try to do an
4 incident report on anything serious.
5 Of the 918 calls some of them --- some
6 of the calls did not require an
7 incident report. That's because there
8 was not enough activity, but the huge
9 majority of them --- not majority of
10 them, but a good bit of them, 194,
11 required an incident report. That
12 means it was a serious enough call that
13 required the officer to document his
14 presence there and what activity he
15 found.

16 Q. Did you have any cases, or were any
17 charges made against Manager Kaur?

18 A. Yes. Actually my unit actually made
19 two controlled purchases from her of
20 crack cocaine in March of this year on
21 separate dates, and what we do that ---
22 lots of times we may do multiple
23 purchases to show that it's not an
24 isolated event, where that someone may
25 be down on their luck, and we may do

JUDY COMP & ASSOCIATES, INC.

1 more than one purchase. We also, in
2 addition, in May of this year, May of
3 2006, we were called there --- the
4 police were called there and rushed to
5 an armed robbery that occurred. They
6 were giving descriptions of the
7 suspects. Actually checked the
8 neighborhood and located a couple of
9 suspects. Bringing them in, bringing
10 the suspects in during the
11 investigation, it was found that Ms.
12 Kaur actually initiated this armed
13 robbery as a ruse to get money to get
14 one of her boyfriends out of jail, and
15 she gave a statement to that, that she
16 was actually --- and she was charged
17 with filing a false report because she
18 needed the money to get her boyfriend
19 out of jail, and she --- she came up
20 with this idea of armed robbery that
21 she would use that money for that.

22 Q. After 2004 did you ever speak with Mr.
23 Singh, or his daughter, Ms. Kaur, about
24 curtailing this activity?

25 A. Not directly, no.

JUDY COMP & ASSOCIATES, INC.

1 Q. Do you have any other information based
2 on your investigation of this
3 particular property at Travel Inn?

4 A. Other than, you know, we got several
5 complaints from the businesses across
6 the street, surrounding business,
7 saying that this is a problem. Not
8 only was it affecting the business of
9 the hotel, but they were --- some of
10 the people would be going over to the
11 --- across the street to the
12 restaurants, or to businesses and
13 disturbing their customers, actually
14 stopping them and asking for money, or
15 whatever, and kind of putting a damper
16 on their business, and their ability to
17 have a business and have a positive
18 business just from the patrons that
19 were coming from the hotel.

20 MS. GAMMONS: I have no further
21 questions at this time, Mr.

22 Landrith.

23 MR. LANDRITH: Mr. Holmes.

24 CROSS-EXAMINATION

25 BY MR. HOLMES:

JUDY COMP & ASSOCIATES, INC.

- 1 Q. It's Lt. Evett?
- 2 A. Yes, sir.
- 3 Q. I just want to make sure I got that
- 4 right. You are an investigator with
- 5 the Greenville Police Department?
- 6 A. Yes, sir.
- 7 Q. And is it a correct statement that your
- 8 looking at a business license is a
- 9 pretty small part of what you do?
- 10 A. Yes, sir.
- 11 Q. Okay. And drugs, and narcotics vice
- 12 would be the primary thing that you do?
- 13 A. Yes, sir.
- 14 Q. Okay. And you testified that you
- 15 became first aware of this location
- 16 back in early 2004. I'm assuming
- 17 around April, which is when you started
- 18 the ---
- 19 A. Of the problem, yes, sir.
- 20 Q. Why did you begin in April of '04?
- 21 A. No, we started in January of '04. I
- 22 met with her in April '04. What we do
- 23 is we track the calls for service
- 24 because we get complaints from lots of
- 25 places, and some --- some of them are

JUDY COMP & ASSOCIATES, INC.

1 valid, some of them are not as far as
2 the number of calls for service. What
3 you may think is a large number of
4 calls for service, we may say that's
5 not really, you know, a large volume of
6 calls. So we will look at it and ---
7 and check into it, so ---

8 Q. Okay.

9 MR. SINGH: (inaudible)

10 MR. HOLMES: No, sir. You need
11 to be --- do you want to write
12 something down?

13 MR. SINGH: Okay. (inaudible)

14 MR. HOLMES: No. I understand
15 that, but you've got to let me ask
16 him questions.

17 MR. SINGH: Okay. Thank you.

18 MR. HOLMES: I'm sorry. He's
19 just not familiar with this.

20 MR. SINGH: I'm sorry about that.

21 MR. LANDRITH: This is important.

22 MR. HOLMES: Okay. You'll get
23 your turn, I promise.

24 MR. SINGH: Okay.

25 Q. But you started --- you did the reports

JUDY COMP & ASSOCIATES, INC.

1 that we've given to Mr. Landrith
2 beginning April of '04. What is the
3 significance of picking April of '04?
4 A. Well, actually the report started
5 sooner than that, but we actually ---
6 if we identify this as a problem,
7 that's when we start tracking, and we
8 start pulling reports, and start
9 putting them together. The calls for
10 service are always there. We can pull
11 --- we retrieve them from the databank,
12 but we don't pull them until we see if
13 there's a large volume. That's why ---
14 that's why it started there because we
15 were noticing after complaints and ---
16 and when you say this is a small part
17 of what we do, it is. Any --- any time
18 there's a business in a city that's a
19 problem, it gets sent to me and say,
20 "Look into this and see if there's a
21 problem," and we handle that. That's
22 --- that's normally what we do.
23 Q. Okay. Out of the 918 calls do you have
24 any idea how many of those calls were
25 made by the management of the hotel?

JUDY COMP & ASSOCIATES, INC.

1 A. I know probably ten percent of them
2 maybe. I don't know exact figures, but
3 I know a good --- they --- they often
4 call for service.

5 Q. Okay. And the incident reports, do you
6 know how many times that an incident
7 report was written it was because of a
8 call initiated by management?

9 A. No, I don't know percentagewise, no.

10 Q. Okay. Do you know what the
11 relationship is with the --- you've
12 mentioned I think it's Manenda Kaur.
13 Sometimes she goes by "Lucky"?

14 A. Right. Yeah. That's what we ---

15 Q. All right. Okay. So can we just use
16 "Lucky"?

17 A. Yeah. That's good.

18 Q. All right. And that's the same person?

19 A. Right.

20 Q. Other than Lucky what is the
21 relationship between Greenville City
22 Police Department and the management of
23 Travel Inn?

24 A. We've never had a relationship other
25 than Lucky probably is the only person

JUDY COMP & ASSOCIATES, INC.

1 we've dealt with over the years. Is
2 that what you're asking?
3 Q. Well, I mean, when your uniform
4 officers go, does the management
5 cooperate with them and any request?
6 A. Oh, yeah. Yeah. And we --- we --- in
7 our investigation we've come to reveal
8 some --- some concerns of why this is
9 happening, and I can tell you those if
10 you --- if you would like, sir. Lucky
11 had been a probably --- you know giving
12 information to call us when she had a
13 problem, especially with the drug
14 problems there she was calling. And
15 during our investigation of early this
16 spring that's why we actually looked at
17 her. Our informants are people who are
18 saying, oh, saying that she was
19 actually using that to snuff out her
20 competition as far as the drug problem
21 there. That she was calling us saying
22 there's a problem here. At the same
23 time she was extorting them saying, "If
24 you don't comply with what I need, then
25 I'm going to turn you into the police."

JUDY COMP & ASSOCIATES, INC.

1 That was what I --- not what we found,
2 but that's what our informants were
3 telling us. And that that's when we
4 actually looked at her and buying the
5 drugs from her, that's what led us to
6 that, and then we made two controlled
7 purchases from her.

8 Q. Okay. Were you involved personally in
9 those purchases?

10 A. No, sir. My investigators were.

11 Q. Okay. So what you're testifying about
12 today is what officers that worked for
13 you or under you told you about?

14 A. Yeah. And they made arrests for, so
15 ---

16 Q. I understand, but I mean, you don't
17 know anything other than what somebody
18 told you about that?

19 A. Correct.

20 Q. Okay. Now when Lucky would make calls
21 you actually made arrests based on
22 information she provided to you; is
23 that right?

24 A. Sometimes, yes, sir.

25 Q. Okay. And did she also provide the

JUDY COMP & ASSOCIATES, INC.

1 police department with rooms where they
2 could conduct surveillance?

3 A. She offered --- she made that offer.
4 We usually --- if we --- if we had a
5 room, we would actually pay for the
6 room because that way kind of does not
7 put a conflict there if we --- we use a
8 room.

9 Q. But I mean, the management did
10 cooperate with you in doing that?

11 A. Yeah.

12 Q. Okay. Since May of 2006 I don't recall
13 if you were giving the statistics, but
14 there were 140 calls for service; is
15 that correct?

16 A. Since 2004 to now, yes, sir. Actually
17 140 calls that were incident reports
18 required. After I met with them the
19 --- the caller load actually increased
20 more than it went down.

21 Q. Okay. Then I wrote something down
22 wrong. So, in other words, the calls
23 for service increased after April of
24 2004 when you first met with Lucky and
25 told her there was a problem?

JUDY COMP & ASSOCIATES, INC.

1 A. That's correct.

2 Q. Okay. I thought I heard Mr. Simons say
3 a minute ago that there were 140 calls
4 for service from May 2006 to June 2006.
5 Did I hear that wrong?

6 MR. SIMONS: May '05, yeah.

7 MR. HOLMES: May '05?

8 MR. SIMONS: Yeah.

9 Q. Do you have any statistics for calls
10 for service from May of '06 to current?

11 A. I can --- I can look at it right here.
12 I can give you --- if you give me a
13 second, I can have a total of it.

14 Q. Sure.

15 A. I've got the area dispatch printout
16 right here. From May of '06 till now?

17 Q. Yes, sir.

18 A. Probably still about 75 calls from May
19 till now. I'm sorry. That's till July
20 16th. That's the last time we pulled
21 the report, so ---

22 Q. July 16th was the last report?

23 A. No, I'm sorry. It's probably a little
24 over 100 then from May of '06 till now.
25 Up till August 7th is the last day we

JUDY COMP & ASSOCIATES, INC.

- 1 pulled the report.
- 2 Q. Do you have any idea how many of those
- 3 were made by management?
- 4 A. No, sir, I sure don't.
- 5 Q. All right. Do you know out of those
- 6 how many resulted in any arrest?
- 7 A. I can give you an approximate there.
- 8 From --- from May --- and I actually
- 9 started in June when I said that. It
- 10 was probably more like --- well, like
- 11 you said, 140 calls from May of '05 ---
- 12 you want this year though.
- 13 Q. I don't want to put you on the spot.
- 14 If you don't know, I'm perfectly okay
- 15 with you telling me you don't know.
- 16 A. I can go by the codes here. That's
- 17 what I'm just going by. It looks to be
- 18 about 30 arrests in that time frame.
- 19 Q. From May of '06?
- 20 A. Yes, sir. Till August of '06.
- 21 Beginning of August. About August 7th.
- 22 That was the last report pulled.
- 23 Q. All right. Have you ever met with Mr.
- 24 Amrik Singh?
- 25 A. The only time is when I gave him the

JUDY COMP & ASSOCIATES, INC.

1 official Notice of Revocation from Mr.
2 Simons.

3 Q. Okay. And so from 2004 to when you
4 gave him the Notice on August the 2nd
5 I'm assuming that's when --- the notice
6 I have is dated August the 2nd, 2006..
7 Is that the date you gave?

8 A. Yes, sir.

9 Q. You've never met with him and talked to
10 him?

11 A. I talked to him on the phone but never
12 met him personally.

13 Q. Okay. And what was the reasons you
14 talked to him on the phone?

15 A. Again, I talked to him in April of 2004
16 to put him on notice and tell him I
17 needed to come talk to him and discuss
18 the problems of the calls for service.
19 I talked to him personally then, so ---

20 Q. He doesn't speak English that well; is
21 that right?

22 A. I understand.

23 Q. All right. Well, do you have some
24 trouble understanding him?

25 A. No. I'm fine with it. It's just he's

JUDY COMP & ASSOCIATES, INC.

1 --- you know, his English is not as
2 good as, you know --- but I understand
3 him. And when I delivered that notice
4 I explained it to him then, as a matter
5 of fact. You know, he understood me,
6 and he talked to me just a minute.
7 Very briefly we talked though.
8 Q. Did you make any commitment that if his
9 daughter cooperated with the police
10 that the business license revocation
11 and the other problems would probably
12 be put in abeyance or held off for
13 awhile?
14 A. Did I?
15 Q. Yes, sir.
16 A. No, sir.
17 Q. Okay. You never discussed that with
18 him at all?
19 A. No, sir.
20 Q. Did his daughter ever come up at all
21 during that conversation when you
22 delivered the notice?
23 A. No, sir. I explained the notice to him
24 basically, and that if he had any
25 concerns or problems that I cannot

JUDY COMP & ASSOCIATES, INC.

1 explain, that he needed to call the
2 City attorney's office, and that's
3 basically our conversation.

4 Q. Is it customary for a narcotics
5 investigator to deliver notices that a
6 business license is going to be
7 revoked?

8 A. Yes, sir. I've done it before, sir.

9 Q. Is it a fair statement that the real
10 problem that you're having, that is,
11 the Greenville City Police Department,
12 is having, is related to Lucky and her
13 problems with the law?

14 A. I don't --- I don't think that's a fair
15 statement. I think she's part of it,
16 but the patrons and environment, the
17 whole surrounding environment is a
18 problem we're concerned with. If you
19 take her out of the equation, it still
20 is a problem with prostitution and
21 gambling --- excuse me. Prostitution
22 and drugs, the --- the patrons
23 themselves. So she's a part of it, but
24 she's not --- she's only part of it.

25 Q. Okay. Even though you believe that she

JUDY COMP & ASSOCIATES, INC.

1 was using calls to put other people out
2 of business?

3 A. Yes, sir.

4 Q. Okay. Do you have any reason to
5 believe that Mr. Singh knew anything
6 about his daughter's activities?

7 A. No, sir.

8 Q. Okay. You're not accusing him of
9 participating in any drugs, or
10 prostitution, or robberies, or that
11 type thing, are you?

12 A. Just allowing the problems to go on.
13 That's what ---

14 Q. Okay. You think he knows about the
15 problems, and he's doing nothing about
16 it?

17 A. That's my --- yes, sir. Yes, sir.

18 Q. And that's based on what? Just the
19 fact that it occurs?

20 A. Yes. It's ongoing, and he's been
21 notified and noticed of it, and nothing
22 has changed. If anything, it's gotten
23 worse.

24 Q. Did you know that he didn't even own
25 the place until May of this year?

JUDY COMP & ASSOCIATES, INC.

1 A. When I checked in 2004 he is listed as
2 the owner. That's why I contacted him.
3 We like to talk directly to the owner,
4 and that's who --- that's who is listed
5 as the owner in 2004.

6 Q. Do you know what the Valogic
7 Enterprises is?

8 A. No, sir.

9 Q. Do you know if Valogic Enterprises
10 owned it?

11 A. No, sir. Not --- not when I checked in
12 2004 they didn't.

13 Q. Do you know who T.R. Redding is?

14 A. No, sir.

15 Q. Did you know that T.R. Redding is the
16 owner of Valogic Enterprises?

17 A. No, sir.

18 Q. Did you know that Greenville City Taxes
19 were paid by Valogic Enterprises on
20 that project?

21 A. No, sir. I didn't know that.

22 Q. Was that important to you?

23 A. No. It's actually, you know, the
24 problem is there, so ---

25 Q. Okay. Well, did you notify Valogic

JUDY COMP & ASSOCIATES, INC.

1 Enterprises or T.R. Redding about any
2 problems that you have at the Wade
3 Hampton location?

4 A. No, sir.

5 Q. If you had known that Valogic
6 Enterprises owned the hotel and
7 operated it, and he was just an
8 employee, would you have wanted to
9 contact the owners directly?

10 A. Sure.

11 Q. Now you testified that you conducted
12 some reverse prostitution stings. Did
13 you make any prostitution arrests
14 actually from things going on in the
15 hotel?

16 A. Yes. We actually made some there on
17 the premises. Not from the stings, but
18 maybe from the prostitution actually
19 --- the reverse sting is we got a
20 police officer out there, but we've
21 also had problems with the prostitutes
22 working out there, and actually we have
23 a --- the City has a statute lording in
24 engage of prostitution where they begin
25 there. We may not actually catch them

JUDY COMP & ASSOCIATES, INC.

1 in the act, but we know what they're
2 doing. That's --- that's what we
3 usually charge them with there. We've
4 had those on --- on the premises, so
5 ---

6 Q. The arrests that have been made since
7 May of '06, do you know what those
8 arrests have been for?

9 A. Okay. Narcotics or drugs; disturbance;
10 suspicious person; suspicious person;
11 domestic verbal at the traffic stops;
12 civil dispute; suspicious person;
13 narcotics; serving a Warrant; Warrant
14 service; suspicious person; assaults;
15 trespassing; narcotics; another traffic
16 stop; another verbal dispute. Most of
17 them --- again, the majority of our
18 problems center on narcotics calls for
19 service and arrests.

20 Q. So even--- even a traffic call is put
21 down on his call sheet?

22 A. If the officers come in there and stop
23 a car, yeah, it's --- it's in there. I
24 mean, we don't --- we don't tell them
25 to go in there and stop the cars. If

JUDY COMP & ASSOCIATES, INC.

1 there is cars going in there, and an
2 officer pulls in behind and stops them,
3 it's --- it's their patrons going in
4 there to go back to the hotel.

5 Q. Oh, do you have that information?

6 A. Well, if they list it as subjects by
7 Wade Hampton, that's what we do. We
8 don't list anything outside of there,
9 so it's driven by the address itself.

10 Q. Okay. Not the address where the person
11 lives, but the address where the stop
12 was actually made?

13 A. Yes, sir.

14 Q. Okay. So if I were pulling in --- if a
15 Greenville City Police Officer pulled
16 me over speeding on Wade Hampton
17 Boulevard, and to have a safe, clear
18 place I pull over in the Travel Lodge's
19 parking lot, the incident location is
20 going to be 755 Wade Hampton Boulevard;
21 is that right?

22 A. If that's where you get stopped at
23 that's the way as far as the incident
24 report. Now if you ran the red light
25 at Wade Hampton and 291, that's the

JUDY COMP & ASSOCIATES, INC.

1 incident location, that's where they
2 refer back to. But if the --- if the
3 traffic stop is directed there, then
4 yes, that's where it would be listed
5 at. They actually --- the crime would
6 be committed at wherever you, you know
7 --- if you committed the crime, it
8 would be wherever you committed the
9 crime at.

10 Q. But you agree that those things had
11 nothing to do with the hotel. It's
12 just where people pulled over?

13 A. No. That's --- that's not true.
14 That's --- again, those are patrons
15 going in there that they either --- the
16 officer either observed something
17 illegal or suspicious, and they pulled
18 up in there. That's where they stopped
19 them at. So ---

20 Q. Okay. Do you know how many of the 918
21 were traffic calls?

22 A. No, sir.

23 Q. Do you know what times of day the calls
24 are made? Are they primarily at night?

25 A. It's just all times of the day, sir.

JUDY COMP & ASSOCIATES, INC.

1 Q. Okay.

2 MR. HOLMES: I don't have any
3 other questions.

4 MR. LANDRITH: Ms. Gammons, do
5 you have anything further?

6 MS. GAMMONS: Quickly, Mr.
7 Landrith.

8 REDIRECT EXAMINATION

9 BY MS. GAMMONS:

10 Q. Lt. Evett, on the traffic stops, are
11 the majority of these calls for service
12 based on traffic stops?

13 A. No. No. That's a minor --- minor
14 percentage of it. The majority of the
15 calls are from calls from that location
16 about problems there, or that we go
17 there and investigate. Traffic stops
18 are --- I could count them, but they
19 --- they --- they consume probably a
20 minor proportion of the --- the calls
21 for service.

22 MS. GAMMONS: That's all I have.

23 THE WITNESS: Could I add one
24 more thing?

25 MS. GAMMONS: Yes.

JUDY COMP & ASSOCIATES, INC.

1 A. And just based on what you asked me
2 earlier, I need to go back a little
3 bit as far as Mr. Singh. You said if
4 we had any problems with him. The only
5 thing documented that we had with him
6 we had a hostage situation there
7 probably two years ago where someone
8 was held up, and they were either
9 threatening themselves or someone else.
10 We had the on duty supervisor respond
11 there, several marked cars. Mr. Singh
12 came out and actually interfered with
13 the investigation. He wanted to tell
14 us where to park the cars and kind of
15 direct the police. Well, it actually
16 ended up being a SWAT call where we had
17 to call our SWAT team. That's the only
18 --- you're talking about his
19 involvement in there as far as
20 deterrent or --- or involvement with
21 us. He was kind of a hindrance and
22 came close to being arrested that day.
23 They didn't because we had a more
24 serious problem, but he was trying to
25 direct the supervisor, Sgt. Jones, on

JUDY COMP & ASSOCIATES, INC.

1 where to put some cars, and where he
2 wanted --- how that he wanted things to
3 go down, and we usually don't handle
4 business that way when we have a SWAT
5 situation. So I just wanted to make
6 sure that's on record.

7 RECROSS-EXAMINATION

8 BY MR. HOLMES:

9 Q. So does that play any part whosoever in
10 your wanting to shut him down?

11 A. No.

12 Q. Okay.

13 MR. LANDRITH: Do you have any
14 questions?

15 MS. GAMMONS: Not for Lt. Evett.

16 MR. LANDRITH: I do have one
17 question, Mr. Evett.

18 EXAMINATION

19 BY MR. LANDRITH:

20 Q. You mentioned in some of the police
21 reports that some of the stops that
22 were made there people listed that as
23 their address. So do you know if this
24 has been listed as a place of
25 residence, they are actually living

1 there and not just an overnight guest?

2 A. Some are overnight guests. Some of
3 them live there for awhile. That's
4 what part of the problem is that some
5 of the --- the patrons, undesirable
6 patrons, I'll put it that way, actually
7 live there more than a day, or two, or
8 three.

9 Q. Okay.

10 MR. LANDRITH: Thank you.

11 MS. GAMMONS: The City calls
12 Jodie Dudash.

13 JODIE DUDASH,

14 was examined and testified as follows:

15 DIRECT EXAMINATION

16 BY MS. GAMMONS:

17 Q. Ms. Dudash, what is your title, and
18 what do you do for the city?

19 A. I'm the business license supervisor.

20 Q. Do you have any information on the
21 business license obtained by Mr. Singh
22 or ownership of Travel Inn?

23 A. Yes, I do. According to our notes Mr.
24 Singh came in. We had a dispute
25 between Valogic --- Valogic Enterprises

JUDY COMP & ASSOCIATES, INC.

1 and SBPS, Inc. which Secretary of State
2 shows Mr. Singh as the active agent for
3 that particular corporation as to who
4 actually had ownership of it to
5 determine who actually was required to
6 get the business license. And
7 according to our notes SBPS, Inc.
8 Travel Lodge had an option to buy
9 property from Valogic, and they were
10 currently making monthly payments up to
11 4 of '06 when they were supposed to
12 make a lump sum payment for the
13 purchase of the property, and then on
14 real property screen it shows the
15 actual deed changing ownership from
16 Valogic Enterprises to SBPS,
17 Incorporated. The deed is dated 5/3
18 2006 when it actually changed hands.
19 And the 2006 business license is in the
20 --- the responsible party, or the
21 ownership is in Mr. Singh's name.
22 Q. Singh? S-i-n-g-h.
23 A. Singh, yes. Uh-huh.
24 Q. Do you have the information and the
25 business license for 2005 and 2004?

JUDY COMP & ASSOCIATES, INC.

1 A. Not with me.

2 Q. The registered agent, when was Mr.
3 Singh listed as the registered agent
4 for SBPS, Incorporated?

5 A. Let's see. According to the Secretary
6 of State it was filed on 3/29/04.

7 Q. 2004?

8 A. Yes, ma'am.

9 MS. GAMMONS: Those are all the
10 questions I have for MS. Dudash.

11 CROSS-EXAMINATION

12 BY MR. HOLMES:

13 Q. Please, Ms. Dudash, you've been looking
14 at records that I haven't gotten a copy
15 of. You've looked at a Secretary of
16 State screen shot which shows that a
17 corporation named SBPS was incorporated
18 in '04; is that correct?

19 A. That's correct.

20 Q. According to that record Mr. Amrik
21 Singh is the registered agent for
22 service of process for SBPS, Inc.; is
23 that correct?

24 A. That's correct.

25 Q. And according to the Greenville County

JUDY COMP & ASSOCIATES, INC.

1 real estate records that are available
2 on the internet the City of Greenville
3 has determined that a corporation or an
4 LLC by the name of Valogic Enterprises
5 owned that property through May of
6 2006; is that correct?

7 A. Well, he took over the lump sum on
8 4/06, so I would assume Valogic still
9 had ownership until such time as he
10 made the lump --- lump sum payment.

11 Q. Okay. So you have not made any effort
12 to determine the ownership of the
13 property other than what you've
14 testified that you assumed that a lump
15 sum payment was made in April of '06?

16 A. No. Yes, we did. We had to determine
17 to see because Valogic Property said
18 they were no longer responsible for the
19 license because he had an option to
20 buy.

21 Q. Okay.

22 A. And so we had to determine who was
23 responsible in order to get the right
24 person licensed.

25 Q. And when was that?

JUDY COMP & ASSOCIATES, INC.

- 1 A. That was in 12/8 of '04.
- 2 Q. Okay. So you contacted somebody with
- 3 Valogic Enterprises?
- 4 A. Yes.
- 5 Q. Who did you contact?
- 6 A. It was my auditor who contacted them
- 7 and spoke with them, and she also
- 8 talked with Mr. Singh.
- 9 Q. Okay.
- 10 A. I think he came in several times.
- 11 Q. Okay. Do you know who she talked to
- 12 with Valogic Enterprises?
- 13 A. I do not know who she talked with, no.
- 14 Q. Did you make any effort to look at the
- 15 real property screen in Greenville
- 16 County to see who Greenville City taxes
- 17 were being paid by on that piece of
- 18 property?
- 19 A. No, I didn't. I just looked at the
- 20 real property to see the date of the
- 21 deed and when it actually changed
- 22 hands.
- 23 Q. All right. The date of the deed was
- 24 what?
- 25 A. 5/3 2006.

JUDY COMP & ASSOCIATES, INC.

1 Q. And the deed was from Valogic
2 Enterprises, LLC to SBPS, Inc.; is that
3 right?

4 A. That's correct.

5 Q. And did you go the Secretary of State's
6 website and look up Valogic
7 Enterprises, LLC?

8 A. No. I went to the Secretary of State
9 and looked up SBPS to see who the
10 actual agent was for that particular
11 corporation.

12 Q. So you don't have any information that
13 Mr. Singh has anything to do with
14 Valogic Enterprises?

15 A. No, I do not.

16 MR. HOLMES: I don't have any
17 other questions.

18 MS. GAMMONS: One more.

19 REDIRECT EXAMINATION

20 BY MS. GAMMONS:

21 Q. Ms. Dudash, will you look at your
22 records again, I asked you about,
23 business license information for 2004.

24 A. Okay.

25 Q. Who is the listed owner of Travel Inn?

JUDY COMP & ASSOCIATES, INC.

1 A. Mr. Singh.

2 Q. And how does the city get that
3 information on the owner?

4 A. They put their --- the owner on the
5 application that they turn into us.
6 They're required to put the owner, and
7 the responsible party fills it out on
8 there.

9 MS. GAMMONS: Thank you.

10 RECROSS-EXAMINATION

11 BY MR. HOLMES:

12 Q. Do you have that information?

13 A. I do not have the application with me,
14 no.

15 Q. Okay. Well, where is it?

16 A. I can look.

17 Q. Okay.

18 MR. HOLMES: I just think that's
19 important. If the City is going to
20 take a position that he was an
21 owner, I would like to see a piece
22 of paper where he claimed he was an
23 owner.

24 MS. GAMMONS: Mr. Landrith, may
25 we take a short recess so Ms.

JUDY COMP & ASSOCIATES, INC.

1 Dudash can get it?

2 MR. LANDRITH: Sure. Fifteen
3 minutes be enough?

4 MS. GAMMONS: Thank you.

5 (A short recess was taken)

6 MR. LANDRITH: This is Steve
7 Landrith again. The hearing is
8 back in session.

9 RE-REDIRECT EXAMINATION

10 BY MS. GAMMONS:

11 Q. Ms. Dudash, I was asking you about the
12 business license applications, and Mr.
13 Holmes asked that you produce those.
14 Do you have business license
15 applications from 2004, 2005, and 2006?

16 A. Yes, I do.

17 Q. And these are for 755 Wade Hampton
18 Boulevard?

19 A. Yes, they are.

20 Q. Who is listed on this as the name of
21 the owner, partner, or officer of the
22 business?

23 A. Mr. Singh.

24 Q. And that's A-m-r-i-k Singh, Amrik?

25 A. Yes, ma'am.

JUDY COMP & ASSOCIATES, INC.

1 Q. For all three years?

2 A. Yes, ma'am.

3 MS. GAMMONS: Thank you. And
4 I'll give these to Mr. Landrith.

5 RE-RECROSS-EXAMINATION

6 BY MR. HOLMES:

7 Q. Ms. Dudash, did you determine whether
8 there was a license filed on behalf of
9 Valogic?

10 A. No, I did not.

11 Q. Did you know that Mr. Singh was a
12 manager and was operating the business
13 as a manager at that hotel?

14 A. That was not my understanding, no, sir.

15 Q. Okay. But you don't know still whether
16 Valogic Enterprises had a business
17 license to operate a hotel at that
18 location?

19 A. Not for this year, no, sir.

20 MS. GAMMONS: Quickly, Mr.
21 Landrith.

22 RE-RE-REDIRECT EXAMINATION

23 BY MS. GAMMONS:

24 Q. Ms. Dudash, the City only issues one
25 business license per business; correct?

JUDY COMP & ASSOCIATES, INC.

1 A. That's correct.

2 Q. And if the business license is issued
3 with Amrik Singh as the president for
4 --- well, it was Travel Lodge and then
5 Travel Inn, would there be a different
6 business license to a different person?

7 A. No, ma'am.

8 MS. GAMMONS: Thank you.

9 MR. LANDRITH: Anything else, Mr.
10 Holmes?

11 MR. HOLMES: No.

12 MR. LANDRITH: Ms. Gammons,
13 anything else you want to ask?

14 MS. GAMMONS: Not for Ms. Dudash.

15 MR. LANDRITH: Who is your next
16 witness.

17 MS. GAMMONS: Dawn Condrey.

18 MR. LANDRITH: Does she mind
19 spelling her last name?

20 THE WITNESS: C-o-n-d-r-e-y.

21 DAWN CONDREY,

22 was examined and testified as follows:

23 DIRECT EXAMINATION

24 BY MS GAMMONS:

25 Q. Ms. Condrey, where do you work?

JUDY COMP & ASSOCIATES, INC.

1 A. I own a salon at 738 Wade Hampton, Top
2 Hats.

3 Q. And where is that in relation to Travel
4 Inn?

5 A. Straight across the street.

6 Q. How long have you been there?

7 A. Fifteen years.

8 Q. Okay. Do you have any information
9 about patrons at Travel Inn and their
10 relating to your business?

11 A. I do. First of all, I had a break-in
12 last year, and the two men admitted
13 they were staying there, and they were
14 also on drugs at the time, and they
15 broke through my back door and went
16 through two brick walls over into the
17 ABC store.

18 Q. Do you have any other instances of
19 patrons from Travel Inn coming over to
20 your business?

21 A. They come over all the time asking for
22 money. They will sit in the lobby
23 until we ask them to leave. We call
24 the police when they been intoxicated.

25 Q. How do you know they're coming from

JUDY COMP & ASSOCIATES, INC.

1 Travel Inn?

2 A. Because I watch them walk down the hill
3 straight over to my business.

4 Q. Do you ever see them go back to Travel
5 Inn?

6 A. Yes.

7 Q. What are the hours of your salon?

8 A. Normally 9:00 to 7:00.

9 Q. Do you remember when these disturbances
10 began? About when?

11 A. I would say a couple of years ago.

12 MS. GAMMONS: Those are all the
13 questions I have, Mr. Landrith.

14 MR. LANDRITH: All right. Mr.
15 Holmes.

16 RECROSS-EXAMINATION

17 BY MR. HOLMES:

18 Q. Ms. Condrey, did you call the police
19 ---

20 A. I did.

21 Q. --- about the Travel Inn and complain
22 to them?

23 A. I have.

24 Q. Okay. And how many times have you
25 called them about the Travel Inn?

JUDY COMP & ASSOCIATES, INC.

1 A. I would say three times.

2 Q. Pardon me?

3 A. Three times.

4 Q. Since 2004?

5 A. Uh-huh. The reason I have not called
6 them because I know they are over there
7 all the time. I see them go through
8 all the time.

9 Q. Have you spoken to Mr. Singh?

10 A. I have not.

11 Q. Do you know him at all?

12 A. No.

13 Q. Ever seen him before today?

14 A. No, sir.

15 Q. Did you ever go over to the hotel and
16 talk to him?

17 A. No. I would not go there. I feel it's
18 unsafe.

19 MR. HOLMES: I don't have any
20 other questions.

21 MR. LANDRITH: Ms. Gammons?

22 MS. GAMMONS: Nothing further.

23 MR. LANDRITH: Anything else from
24 the City?

25 MS. GAMMONS: No. The City

JUDY COMP & ASSOCIATES, INC.

1 rests.

2 MR. LANDRITH: All right. Thank
3 you. Mr. Holmes.

4 MR. HOLMES: Mr. Landrith, Mr.
5 Amrik Singh. I'm going to ask him
6 some questions first.

7 AMRIK SINGH,
8 was examined and testified as follows:

9 DIRECT EXAMINATION

10 BY MR. HOLMES:

11 Q. Mr. Singh, how long have you been in
12 the United States?

13 A. Almost 22 years.

14 Q. Okay. And you are president of what
15 corporation?

16 A. SBPS.

17 Q. And who started SBPS?

18 A. Started the name? It was ---

19 Q. Filed the paperwork with the state.
20 Who did that?

21 A. Just me.

22 Q. Okay. Did you do that in 2004?

23 A. Yes.

24 Q. And what type of business did SBPS do
25 in 2004?

JUDY COMP & ASSOCIATES, INC.

1 A. This is the first time that I did a
2 hotel.

3 Q. When you say "did a hotel" did you own
4 a hotel?

5 A. No. I don't own the hotel.

6 Q. Did SBPS own a hotel in 2004?

7 A. No.

8 Q. Were you managing a hotel?

9 A. Yes.

10 Q. Who were you managing it for?

11 A. Vilogi Enterprises.

12 Q. I've been saying Valogic. Am I close?

13 A. This is Valogi Enterprises. That is
14 close.

15 Q. Okay. And Valogi Enterprises is owned
16 by who?

17 A. This is T.R. Redding.

18 Q. And where is Mr. Redding?

19 A. He is in Augusta, Georgia.

20 Q. Okay. And when you signed a business
21 license application as president of
22 SBPS, Inc. what were you applying for?

23 A. You know, I applied for the business,
24 but he did not give me the business
25 license, and he say, you know, I --- I

JUDY COMP & ASSOCIATES, INC.

- 1 Q. And so in May of 2006 was the first
2 time you actually owned the property?
- 3 A. Yes.
- 4 Q. Who were you working for prior to May
5 of 2006?
- 6 A. Who I work for?
- 7 Q. Yes.
- 8 A. I worked for myself, you know.
- 9 Q. I understand that, but was Valogi
10 owning the restaurant --- running the
11 hotel?
- 12 A. Before May or ---
- 13 Q. Yes, sir. Before you owned it did you
14 buy it from Valogi?
- 15 A. Yeah. He (inaudible)
- 16 Q. Okay. And is that a copy of the
17 closing statement that showed when you
18 bought it and what you paid for it?
- 19 A. Yes.
- 20 Q. How much did you pay for that property?
- 21 A. This was almost 1,600 million.
- 22 Q. 1.6 million?
- 23 A. Yeah.
- 24 Q. All right. I think that closing
25 statement shows you paid \$1.6 million

JUDY COMP & ASSOCIATES, INC.

1 for the property, and you paid \$300,000
2 down and borrowed 1,300,000; is that
3 right?

4 A. From the bank, yeah.

5 Q. From the bank. Is that a copy of your
6 mortgage where you borrowed it from the
7 bank?

8 A. Yeah.

9 Q. All right. And it shows that you
10 borrowed 1.3 million?

11 A. Yeah.

12 Q. So as we sit here today almost four
13 months ago, not quite four months ago,
14 you paid \$1.6 million for this
15 property, and spent 300,000 of your own
16 money to get it; is that right?

17 A. Yes.

18 Q. And the mortgage, while it says it's
19 Pinnacle Bank, it actually shows on
20 page eight that you borrowed from the
21 U.S. Small Business Administration; is
22 that right?

23 A. Yes.

24 Q. Okay. And you had to make a loan
25 application and apply for that loan?

JUDY COMP & ASSOCIATES, INC.

- 1 A. Yes.
- 2 Q. Are you making mortgage payments?
- 3 A. Yes.
- 4 Q. How much are your mortgage payments?
- 5 A. It's 12,300 something.
- 6 Q. \$12,300 a month?
- 7 A. Yes.
- 8 Q. Are you current in your mortgage
- 9 payments?
- 10 A. Yes.
- 11 Q. Okay. And you've been doing that ever
- 12 since you bought the property?
- 13 A. Yes.
- 14 Q. Would you have paid that much money for
- 15 the property if you thought it was
- 16 going to get shut down? The business
- 17 was going to get shut down?
- 18 A. No.
- 19 Q. Are you going to be able to pay those
- 20 mortgage payments if the City takes
- 21 your business license away, and you
- 22 have to close the hotel?
- 23 A. I can't afford it. I won't be able to
- 24 pay that a month.
- 25 Q. And where do you live, Mr. Singh?

JUDY COMP & ASSOCIATES, INC.

1 A. I live in the hotel.

2 Q. Does your family live in the hotel with
3 you?

4 A. Yes.

5 Q. Do you do drugs or narcotics?

6 A. No.

7 Q. Are you engaged in prostitution?

8 A. No.

9 Q. Do you rent your rooms for less than
10 one day?

11 A. No.

12 Q. What kind of rules do you have about
13 people who engage in criminal activity?

14 A. You know --- you know, when somebody
15 check in, you know, you cannot read his
16 face, you know. He is (inaudible)
17 about what --- what he has, you know.
18 Then he go in the room, and, you know,
19 you put on the eyes. If he walk
20 around, or, you know, go room to room,
21 then you know that, you know. But
22 naturally you have to kick him out, you
23 know. You cannot live here, please.

24 Q. Okay. So when you say you put eyes on
25 them, you mean you watch them?

JUDY COMP & ASSOCIATES, INC.

1 A. Watch them, you know, what --- what he
2 does..
3 Q. Okay. When you bought the business in
4 May of 2006 did you make some changes
5 to try to cut down on ---
6 A. There are a lot of changes, you know.
7 Q. All right. Tell me what changes you've
8 made.
9 A. You know, I do like, you know, before,
10 you know, my owners, they don't want
11 separate what I do now.
12 Q. Mr. Redding?
13 A. Yeah. Yeah. But I do now what I
14 (inaudible) you know. I go like six,
15 seven rooms. If they have any drug
16 problems, so I take them out.
17 Q. All right. If you notice people going
18 in and out of the rooms, what do you
19 do?
20 A. Just say, you know, call the police,
21 and ---
22 Q. How often do you call the police?
23 A. You know, when I saw the Valium, then I
24 call the police, you know. You cannot
25 go yourself, you know, like if you have

JUDY COMP & ASSOCIATES, INC.

1 four or five guys in the room. If you
2 go yourself, you get into trouble. You
3 know, don't --- you don't know what he
4 had it. So you call the police and
5 call the --- have them help you. He go
6 and check in the rooms.

7 Q. Okay. And have you called the police a
8 number of times to ask for help?

9 A. It's always with ten or 15 times within
10 three months up to May 3rd, you know.

11 Q. What is your relationship, or how do
12 you get along with the uniform patrol
13 officers that come to the hotel?

14 A. They have a really good relationship.

7 A. Yeah. I --- I have, but I did not read
8 all of them (inaudible)

9 Q. Okay. But you understand most of them
10 relate to drugs, or assault and
11 batteries, and there's some
12 prostitution charges that were made.
13 You agree that those activities are
14 dangerous activities?

15 A. Yeah. That's a dangerous activity.

16 Q. And you even have a grandson on the
17 property; right?

18 A. Yeah.

19 Q. And you don't want your grandson to be
20 around this type of activity; right?

21 A. Yes.

22 MS. GAMMONS: I have no further
23 questions right now.

24 MR. HOLMES: If I can just ask

REDIRECT EXAMINATION

2 BY MR. HOLMES:

3 Q. Mr. Singh, just so we're clear, I think
4 Lt. Evett said that there were two drug
5 buys that took place supposedly with
6 your daughter in March of '05 --- '06,
7 but she wasn't arrested until May of
8 '06; is that right?

9 A. Yeah. Yeah.

10 Q. Okay. So your question to the police
11 is why they arrested her over separate
12 days for separate charges since they
13 had some age on them; is that right?

14 A. Yes.

15 Q. Okay. So you weren't questioning the
16 police authority to arrest her, were
17 you?

18 A. Yes.

19 Q. Okay. Did you understand my question?

20 A. No.

21 Q. All right. Maybe I didn't put that
22 correctly. Do you understand
23 Greenville City Police has the
24 authority to arrest your daughter if
25 they have a Warrant for her arrest?

JUDY COMP & ASSOCIATES, INC.

- 1 A. Yes.
- 2 Q. Were you trying to stop them from
- 3 arresting your daughter?
- 4 A. No.
- 5 Q. Okay. Why were you asking them
- 6 questions?
- 7 A. Just to ask them for, you know, "Why
- 8 you arresting? What's the reason?
- 9 Just tell me the reason. You tell me
- 10 the reason they have a Warrant." They
- 11 did not tell one word. He talked to
- 12 me, you know. I told you it was
- 13 tomorrow and the detective talk to me,
- 14 you know. I did not ask nothing. And
- 15 he arrested her. He put her in his
- 16 car. So (inaudible) my daughter. So
- 17 he took her away, you know.
- 18 Q. Prior to today have you ever met Lt.
- 19 Evett?
- 20 A. Just when he brought that letter
- 21 (inaudible) saw, and I working on the
- 22 room, and he come to that room, and he
- 23 told me that he is (inaudible)
- 24 Q. Did you ask him about the Notice?
- 25 A. I asked him what he saying. I cannot

JUDY COMP & ASSOCIATES, INC.

1 tell you.

2 Q. Okay. Have you ever gotten a warning
3 from the City?

4 A. No. No.

5 Q. As far as you know this is the first
6 time you've been in trouble like this?

7 A. First time.

8 MR. HOLMES: I don't have any
9 more questions.

10 EXAMINATION

11 BY MR. LANDRITH:

12 Q. I have a couple of questions, Mr.
13 Singh. You mentioned that you have
14 talked to a security company. Have you
15 actually contracted and hired a
16 security company yet?

17 A. I just talked to, you know, either this
18 Saturday or Sunday, you know, that is
19 all. So the Monday --- the Monday he
20 is telling me that he'll call me
21 tomorrow, so it's early here like 8:30
22 9:00 I'm here, I have no time to call
23 them. So I called and I hired. And
24 (inaudible) if the police department
25 want me to use off duty police, I can

JUDY COMP & ASSOCIATES, INC.

1 hire that one, too.

2 Q. The rules that you have implemented,
3 when did you write these rules?

4 A. They're almost --- they have a month
5 (inaudible)

6 Q. Okay. And so they went into effect
7 when you wrote them about a month ago?

8 A. Yeah.

9 Q. Okay. All right.

10 MR. LANDRITH: Anything else?

11 MS. GAMMONS: Not from the City.

12 MR. LANDRITH: All right. Mr.
13 Holmes, do you have a witness?

14 MR. HOLMES: Yes. Brenda Parker.
15 I tell you what. If I can get you
16 to go sit in that chair, so she can
17 sit at this microphone. You go
18 back. You want to get away from
19 it. Okay. Can you sit right
20 there?

21 BRENDA PARKER,

- 25 Q. Okay. He was managing this place since

JUDY COMP & ASSOCIATES, INC.

- 2 A. Yes.
- 3 Q. Okay. And so these are changes since
- 4 he has owned it?
- 5 A. Oh, yes.
- 6 Q. Okay. Do you believe that the number
- 7 of times the police have had to be
- 8 there have been less since he's owned
- 9 it and made these changes?
- 10 A. I believe so because I haven't called
- 11 for the cops. I stay at the front
- 12 desk.
- 13 Q. Okay. Do you have a good relationship
- 14 with the uniform police officers when
- 15 they come?
- 16 A. Yes, sir. They come in. They ask
- 17 questions, and I show them the papers,

12 A. Yes.

13 Q. All right. And the people that need to
14 go, why do they need to go?

20 rent is up, I'm sure that they're going
21 to be gone.

22 Q. Okay. If he asked the City of
23 Greenville to give him some time to
24 clean some more stuff up and to bring

- 16 Q. Okay. Do the two of you have radios?
- 17 A. No.
- 18 Q. Like you call his daughter "Lucky"
19 also. Before Lucky's arrest in May

- 22 A. She would come in and out of the office
23 during the day.
- 24 Q. Is this all day long while you were
25 there from 8:00 until 4:00?

JUDY COMP & ASSOCIATES, INC.

- 13 A. I put back from once a family goes

4 Q. If like if something is not right in

11 A. Yes.

12 Q. What knowledge do you have --- you said
13 you suspected people of drug activity.
14 Tell us about that. What have you seen
15 that makes you think they were involved

17 A. Just walking around going to different
18 people's rooms, and just the way they
19 act, you know. You walk around the

22 And you just see them walking around.
23 They're hanging around together, and
24 buddy buddying, and they come to the
25 office, and they just talk to each

JUDY COMP & ASSOCIATES, INC.

- 1 other.
- 2 Q. Would you be afraid of that, of those
3 people?
- 4 A. No. Because most of those people, you
5 know, I'm just --- I'm working.
- 6 Q. So you aren't afraid if someone may be
7 on drugs on that property?
- 8 A. And come into the office, no.
- 9 Q. No. What about the use of alcohol?
10 Have you seen that?
- 11 A. There have been people walking around,
12 and I'll have --- I ask them to go back

14 Q. But before that in 2004, 2005, would
15 she ever talk to you about any drug
16 activity on the property?

17 A. No, ma'am.

18 Q. Do you live on the property also?

19 A. (inaudible)

20 MS. GAMMONS: I have no further

21 and then when they get in the room,
22 they've got five or six. And he's, you

24 making a lot of changes, which I'm
25 happy about.

JUDY COMP & ASSOCIATES, INC.

- 1 Q. Are things better now?

9 you remember?
- 10 A. It was by the week.
- 11 Q. By the week?
- 12 A. Right.
- 13 Q. So at the end of the week, say, if you

9 A. Uh-huh. Yes.

10 Q. Is that right?

11 A. But not --- not a lot of times since

13 work. I'm --- I'm in school from like
14 7:30 to like 5:00ish, and then I finish
15 doing homework and college like,
16 college preparation stuff, so I really
17 don't get a lot of time to help him.
18 But whenever he needs help with
19 translation or anything, he'll ask me,
20 and I'll do it for him. And most of
21 the times when I'm free I'll work at

- 8 Q. Is this business important to him and
9 your family?
- 10 A. Very important.
- 11 Q. If this business gets closed down,
12 would it ruin you financially?

9 Q. How well are you doing in school?

10 A. I'm currently looking forward to going

22 also?

23 A. Yes, I do.

24 Q. Has Lucky ever said anything to you
25 about drug activity at Travel Inn?

JUDY COMP & ASSOCIATES, INC.

- 1 A. No, she has not.
- 2 Q. Have you guys talked about any of the
- 3 criminal activity at Travel Inn, you
- 4 and she?
- 5 A. No, we have not.
- 6 Q. What about you and your daddy?
- 7 A. No. I've never talked to anyone about
- 8 drug activities actually.
- 9 Q. Not just drug activities, just the
- 10 criminal activities.
- 11 A. No. No.
- 12 Q. Do you ever --- and I know you're
- 13 young, but do you ever sit down with
- 14 your daddy to try to talk about ways to
- 15 improve the business?
- 16 A. Yes, I do. I mean, but this especially
- 17 now. That's the only reason I'm here.
- 18 Q. Okay. What about last year or in 2004?
- 19 A. No. I wasn't aware that our business
- 20 was actually doing bad, that all the
- 21 police coming in was actually bad. I
- 22 thought we were cooperating with the
- 23 police, and that it was actually we
- 24 were helping the police catch the bad
- 25 guys, or the villains, or all the

JUDY COMP & ASSOCIATES, INC.

1 criminals, and I didn't think it was a
2 problem that came over --- over and
3 over to our place. But I'm told two or
4 three days ago I saw the notice, and
5 that's --- and now I'm helping my dad.

6 Q. So like last year when you would see
7 the police come in quite a bit, that
8 didn't alarm you?

9 A. I didn't actually see the police come
10 quite a bit, but when I did see them,
11 it didn't really bother me because
12 they're supposed to be courteous and
13 protective of us. And yeah, I --- I
14 never paid much attention to it because
15 I always knew that they're doing what
16 they're supposed to do, and that we are
17 cooperating. I mean, if --- if I had
18 known that we weren't cooperating, then
19 I would go help them, but I knew that
20 my dad was cooperating with them, and
21 that the police was doing what they
22 were supposed to do, and everything was
23 fine.

24 Q. Did you ever think about the number of
25 people on your daddy's property that

JUDY COMP & ASSOCIATES, INC.

1 may be involved in criminal activity?

2 Did you ever think about that?

3 A. No.

4 MS. GAMMONS: I have no further
5 questions.

6 MR. LANDRITH: Mr. Holmes, any
7 other witnesses?

8 MR. HOLMES: No other witnesses.
9 Since I don't know the protocol, at
10 some point I hope we can make a
11 closing little statement.

12 MR. LANDRITH: Absolutely. It's
13 very informal.

14 MR. HOLMES: No problem. Thank
15 you. You can go sit down. If it's
16 appropriate, Mr. Singh, as you can
17 see from the documents I actually
18 helped him do the closing of this
19 business, and I know how important
20 it is to him. When you get a Small
21 Business Administration Loan that's
22 not because you have sufficient
23 income and wherewithal to go to a
24 local bank. It means that the
25 United States Government agrees to

JUDY COMP & ASSOCIATES, INC.

1 guarantee a portion of the loan to
2 convince the local bank to make a
3 loan to help small people do
4 businesses. He has only owned this
5 a very long time and --- a very
6 short period of time, and about
7 everything he has in the world is
8 invested in it. To close his
9 business down he still has the real
10 estate, but frankly, the value of
11 the real estate is being able to
12 conduct business there. He tells
13 --- he's indicated today that he
14 didn't know that he was getting in
15 trouble by what was going on. I
16 think the City of Greenville has
17 gotten his attention rather
18 remarkably, and the steps he's
19 taken to try to correct things,
20 sure they happened recently, but
21 that's because he just got a notice
22 recently, and he wants an
23 opportunity to work it out. He is
24 asking sincerely that the City
25 reconsider the revocation of his

JUDY COMP & ASSOCIATES, INC.

1 license, and at least give him a
2 brief period of time to try to
3 resolve these issues. He is in a
4 pretty interesting dilemma in that
5 his daughter has gotten arrested
6 and charged criminally with some
7 pretty serious crimes. He doesn't
8 want, as best he can, to get tarred
9 with the same brush on one hand and
10 on the other hand, she is his
11 daughter, and he is trying to get
12 her to do whatever she needs to do
13 with the police, or whatever. He
14 frankly wishes that her criminal
15 charges had been handled before
16 now, so he would know what the
17 bottom line of that is. The point
18 is I think he's taken steps to get
19 rid of that issue by not having her
20 work there, asking her to move out,
21 and instituting these other things,
22 and he really would ask for a
23 little bit of a chance. The man
24 has worked as a taxi cab driver,
25 and he's come to South Carolina.

JUDY COMP & ASSOCIATES, INC.

1 It's amazing he was able to borrow
2 \$1.6 million and open a business,
3 but in four months if he gets shut
4 down, everything he has worked for
5 he has lost. So he's really asking
6 for some consideration. I think he
7 said truthfully if he doesn't do
8 what he says, he understands that
9 the City would lock him down, and
10 he's just asking for a little bit
11 of time, and we would appreciate it
12 if that could be done, that he
13 would be given a little bit of
14 time. Frankly, it's August. The
15 business license would have to be
16 renewed in January. In January,
17 and I think there's a February
18 deadline, or something like that,
19 so frankly, it would be just to
20 withdraw this revocation, and they
21 could not issue him a license if he
22 doesn't --- I mean, we would be in
23 the same pickle, in a sense, but I
24 mean, there's some timing issues
25 that may work out with this. So we

JUDY COMP & ASSOCIATES, INC.

1 really ask that that consideration
2 be given in this particular case.

3 MR. LANDRITH: Ms. Gammons?

4 MS. GAMMONS: Mr. Simons will
5 give the summary.

6 MR. SIMONS: Again, to summarize
7 the number of offenses from April
8 of '04 to '06 presented by the
9 Police Department. Recommendations
10 to go forward with the revocation.
11 The 46 drug-related violations, 34
12 trespasses, 12 assaults, two
13 assaults with battery, two armed
14 robberies, 9 stolen vehicles, 15
15 petty larcenies, and four
16 disorderly conducts. Based on all
17 that, and given what's in the code
18 of the City of Greenville, we
19 recommend move forward with the
20 revocation effective September
21 16th, 2006.

22 MR. LANDRITH: Okay. Any other
23 final statements from anybody?
24 (inaudible) What will happen now
25 is, first of all, I appreciate

JUDY COMP & ASSOCIATES, INC.

1 everybody's honesty and candor in
2 the hearing. It's a lot of
3 information that I need to go
4 through and review. I will do that
5 as quickly as possible and schedule
6 an appointment to meet with the
7 City Manager and make my
8 recommendation to him. His final
9 action will be in writing to you in
10 regards to the revocation, and as
11 quick as we can get that out, we
12 certainly will.

13 MR. HOLMES: Do you have any
14 idea?

15 MR. LANDRITH: I really do not.
16 I will get my information to him in
17 the next day or so.

18 MR. HOLMES: All right. To the
19 extent that it's necessary I would
20 ask that the date for revocation be
21 extended. The reason I'm making
22 that request is because September
23 16th is the date under the appeal,
24 and I have confidence that the City
25 will give us a little bit of time

JUDY COMP & ASSOCIATES, INC.

1 to work on this, but let's say that
2 that doesn't occur. The next step
3 is to go before City Council, and I
4 know they don't meet that often,
5 and I don't even remember when
6 Greenville City Council meets. I
7 can't keep up with when everybody
8 meets.

9 MR. SIMONS: Second and fourth
10 Mondays of the month.

11 MR. HOLMES: Same as Simpsonville
12 does. So the second Tuesday of
13 September assuming ---

14 MR. SIMONS: Actually in September
15 they're meeting on the 5th and then
16 the 25th.

17 MR. HOLMES: Okay. So we're
18 moving around. Then I don't know
19 what their policy is about getting
20 something on their agenda, and I
21 notice from the ordinances that
22 they might consider this on the
23 record. But I'm still assuming
24 they have to do it in the course of
25 a council meeting since they still

JUDY COMP & ASSOCIATES, INC.

1 have the Freedom of Information Act
2 to comply with and so forth. So
3 because you need some time.
4 Frankly, this was not Mr. Singh's
5 desire to wait this long. I had a
6 conflict, and I couldn't be here
7 earlier, and I appreciate the
8 City's cooperation in making a time
9 when I could be here to help him
10 with this, so I would just ask that
11 that be extended. That would give
12 him a meaningful chance in the
13 event there needs to be an appeal
14 to ask the City Council to
15 reconsider it.

16 MR. LANDRITH: The ordinance is
17 very clear that the appeal does not
18 stay the revocation.

19 MR. HOLMES: I understand that,
20 but it says that we can ask for an
21 extension. That's what I'm asking
22 for. To the extent that's
23 necessary, I'm asking for an
24 extension about that.

25 MR. LANDRITH: I'll make that

JUDY COMP & ASSOCIATES, INC.

1 part of the record.

2 MR. HOLMES: Thank you very much.

3 MR. LANDRITH: Okay. Anything

4 else? All right. That's it.

5 Thank you.

6 MS. GAMMONS: Thank you.

 6. Communications/Announcements from the Mayor and Council
 7. Citizens Wishing to Address Council

Audrey Stenger, 16 West McBee Avenue, owner of Cazbah, spoke on behalf of restaurant, bar and retail owners and residents to express concern regarding the status of a proposed ordinance regulating the distance between bars and restaurants. Ms. Stenger gave a brief overview of meetings that took place regarding this issue and stated that in July 2006, City staff distributed proposed conditional use recommendations, which concerned the public. Ms. Stenger added that at a work session on August 7, 2006 the referenced recommendations were presented to Council, at which time Mayor White expressed concern regarding the possibility of the Board of Zoning Appeals' decision making process being transferred to City staff. Ms. Stenger requested clarification of the downtown action plan time line of October 23, 2006, which stated that the proposed recommendations would go to the Planning Commission on November 28, 2006 and to Council thereafter. Ms. Stenger also stated that meetings were being held by the group in attendance tonight and that they opposed the proposed recommendations and requested Council to stop the process to allow the group time to develop a proposal for a balanced downtown.

Nancy Whitworth, Economic Development Director, stated that there was not a proposal going to the Planning Commission regarding bars, but there were discussions relating to restaurants which were unrelated to the recommendations. Bryan Wood, Planning Department, confirmed this information.

Mayor Pro Tem Flemming suggested a work session and that the group be contacted.

City Manager James Bourey stated that he was unaware that a group was meeting and agreed that a discussion needed to take place and that contact information would be obtained. Ms. Whitworth stated that Mary Douglas Neal, Economic Development Department, would set up a meeting with the group.

Councilman Sofield expressed concern that restaurant owners and others were not informed and questioned whether the group was aware of how to contact staff. Ms. Stenger stated that the group's intention was to address the issue in order to ensure that the process was not moving forward until the group had the opportunity to participate. Councilman Flemming ascertained that Ms. Stenger was agreeable to be contacted on behalf of the group.

Carl Sobocinski, 207 S. Main Street, spoke in support of the valet parking ordinance on tonight's agenda. Mr. Sobocinski stated that his business had been providing valet parking for the past two years and stressed that this service was offered for the benefit of everyone's customers. Mr. Sobocinski pointed out that hospitality was part of his business and the business of others as well as the City. Mr. Sobocinski requested consideration of the following: 1) City offer valet parking as a public-private partnership, and 2) Do not charge for the spaces used for valet parking in order to avoid territorialism between businesses.

Omar Nagi, 1 College Street, spoke on behalf of downtown businesses, bars and restaurants and expressed concern regarding the recently passed smoking ordinance and the lack of clarification on some issues and how it would impact their businesses. Mr. Nagi questioned who would regulate this ordinance and stated that he would not police it. Mr. Nagi stated that a meeting needed to occur and clarifications made.

Jeff Zaglin, 660 South Main Street, owner of the Greenville Army Navy Store, stated that his business was located in the Westend for over 50 years and pointed out that a parking problem always existed there. Mr. Zaglin stated that he experienced problems with enforcement and regulations of valet parking and that his customers were shooed out of valet parking and treated rudely by attendants. Mr. Zaglin stated that his customers deserved to be treated with respect and that businesses should be treated fairly, not just new businesses, and that his customers pay taxes also.

8. Presentation: Greenville Hospital System

Mr. Michael Riordan, President and CEO of Greenville Hospital System, reported on four overall organizational goals that included: Measure Quality, Institute Financial Goals, Measure Patient Satisfaction and Measure Staff Satisfaction. Mr. Riordan listed five personal goals that included: Review Strategic Plan, Integrate Physicians into Leadership, Decision Making and Planning, Implement Satisfaction Measures, Develop a Community Plan for the Organization and Increase Diversity.

Mayor Pro Tem Flemming thanked Mr. Riordan for the presentation. Councilman Smock welcomed Mr. Riordan and expressed appreciation for the Hospital's continued partnership. Councilman Sudduth welcomed Mr. Riordan to Greenville on behalf of Bon Secours St. Francis Health System, Greenville.

9. Travel Inn Business License Revocation Appeal

Mayor Pro Tem Flemming read opening remarks that included History, Appeal, Format, and City Council Action and outlined the following sequence of events in the appeal process: Appellant's Arguments, City's Arguments, Recognition of Public's support for either side, Appellant's Rebuttal, City's Rebuttal, Council's Questions, Council's Deliberations, Motion and Discussion, and Vote. A copy of the opening remarks was obtained for the record.

Appellant's Arguments

Ryan L. Beasley, Attorney for Travel Inn, made the following arguments on behalf of his client Mr. Amrik Singh: Mr. Beasley stated that implicit in the findings, "a continuing nature of offenses that indicated an unwillingness of Mr. Singh to maintain a safe, crime free, drug free business environment," was that Mr. Singh had the authority and the responsibility for all incidents prior to his ownership of the property. Mr. Beasley pointed out that Mr. Singh purchased the property in May 2006. Mr. Beasley stated that Mr. Singh made numerous improvements to the property that included the installation of cameras at the cost of \$6,500, installation of a fence at the cost of \$6,000, contracted with a security company at the cost of \$600 a week that would include guards to monitor the cameras and instituted new rules that included a \$50 deposit.

Mr. Beasley argued that the revocation placed great weight on the fact that Mr. Singh's daughter was criminally charged for selling drugs, but that she had not been convicted and that there was no evidence that Mr. Singh had any knowledge of his daughter's activities. Mr. Beasley pointed out that Mr. Singh's daughter owned the restaurant next door and that she moved it to Clemson in that she was kicked out of the hotel.

Mr. Beasley stated that Mr. Singh purchased the property for \$1.6 million dollars with a monthly payment of over \$12,000 a month and a property tax of almost \$40,000; costs that Mr. Singh did not incur when managing the property beginning in April 2004.

Mr. Beasley questioned why Mr. Singh required two business licenses; one to Balaji Enterprises as the owner; and one to Mr. Singh as manager of the Travel Inn, if Mr. Singh was the owner as asserted. Mr. Beasley reiterated that Mr. Singh had no authority until May 2006 and stated that there was not any evidence of a notice from the City or the Police Department that there were problems until August 2, 2006 which was in the form of a business license revocation notice.

Mr. Beasley pointed out that Greenville City Police Lieutenant Evett testified that he did not meet Mr. Singh until August 2, 2006, and testified that he had no reason to believe that Mr. Singh had knowledge of his daughter's activities, and that Mr. Singh stated that he did not have knowledge of his daughter's activities. Mr. Beasley stated that in addition, Mr. Singh had fully cooperated with the police and that Balaji Enterprises, as the owner,

should have been notified. Mr. Beasley also stated that testimony was given that Mr. Singh's daughter was notified in April 2004, but that she was in India at that time until June 28, 2004. In conclusion, Mr. Beasley stated that the evidence showed that Mr. Singh had no knowledge and was cooperative in the process. Mr. Beasley related some of Mr. Singh's personal and family history and their current living conditions stating that this business meant everything to Mr. Singh and his family.

Mr. Beasley stated that the case against Mr. Singh was based on conduct that he had no control over and individuals that he had no authority over. Mr. Beasley begged Council to give Mr. Singh time to make the situation right and to rescind the revocation.

City of Greenville's Arguments

Debra Gammons, Assistant City Attorney, stated that City Ordinance provided for revocation of Travel Inn's business license by providing that if any licensee had actual or constructive knowledge of activities then that person was responsible for the activities that occurred on that property. Ms. Gammons stated that violence, prostitution, drug arrest and disorderly conduct were examples of activities that would allow for the revocation of a business license as well as an unusual number of police calls. Ms. Gammons stated that from April 1, 2004 to June 16, 2006 there were 918 calls for service to this location, from which 194 incident reports were written, from which 80 to 90 arrests were made. Ms. Gammons stated that these constituted 46 drug related offenses, 12 assaults, 2 assaults and battery with intent to kill, petty larceny, disorderly conduct, armed robberies and prostitution. Ms. Gammons stated that prostitutes stayed at the hotel and would go out to Wade Hampton and conduct their business inside the hotel.

Ms. Gammons stated that Mr. Singh was the licensee of Travel Inn and was listed on the business license as the President of the business in 2004, 2005 and 2006 and that he listed himself as the licensee and preparer of the application. Ms. Gammons stated that preparing two business licenses was the procedure that the City followed when there was a building as well as a business in that building. Ms. Gammons explained that the business and the owner of the building where the business was located both require a license, so that Balaji Enterprises and Travel Inn both required a license.

Ms. Gammons stated that the activities that Lieutenant Evett and other officers observed were detrimental to the health, safety and welfare of the citizens of Greenville. Ms. Gammons stated that Lieutenant Evett testified that he called Mr. Singh in April 2004 and told him about the illegal activities and made an appointment with him and when he arrived on the property, Mr. Singh was not there, but his daughter stated that Mr. Singh had a doctor's appointment. Ms. Gammons stated that Lieutenant Evett spoke directly with Mr. Singh's daughter, who stated that she was the manager of the property. Ms. Gammons stated that whenever Lieutenant Evett or any other officer went to the property, Mr. Singh's daughter, Manninder Kaur, was acting as the manager.

Ms. Gammons reported that Mr. Singh's daughter was charged on two separate occasions in March 2006 with controlled substance buys of crack cocaine and that in May 2006 she confessed to filing a false police report stating that there was an armed robbery so that she could get money to get her boyfriend out of jail. Ms. Gammons concluded that Ms. Kaur was involved in this business because she was acting manager and was in

fact the daughter of manager and owner, Mr. Singh and that Mr. Singh had responsibility for his employees, including his daughter.

Ms. Gammons stated that this property abutted a residential district and that Dawn Condrey, owner of Top Hats Hair Salon, testified that patrons of Travel Inn had disturbed her business, and upon inquiry of how she knew where the people came from, Ms. Condrey stated that she had seen them return to the hotel. Ms. Gammons further stated that it was significant when a hotel owner needed to put up a fence to protect the outside from its patrons. Ms. Gammons stated that all procedures were followed and requested Council to uphold the City Manager's decision to revoke this business license.

Recognition of public support for the Appellant
Approximately 25 citizens stood in support.

Recognition of public support for the City
There were no citizens who stood in support.

Appellant's Rebuttal

Mr. Beasley stated that Mr. Singh put up the fence for protection and to try to alleviate any problems other business owners might have in the area and stated that Mr. Singh could not help someone who lived in a bad neighborhood behind his house and building a fence was the only thing Mr. Singh could do. Mr. Beasley stated that jail was needed to keep the bad people out and reiterated that Mr. Singh spent \$6,500 on cameras, kicked his daughter out, did not know what was going on, and that Ms. Kaur's restaurant which was next door, moved to Clemson. Mr. Beasley requested an exception to allow the family to speak.

Mayor Pro Tem Flemming stated that this was not a new revocation hearing to hear additional evidence and therefore ruled there would be no additional comments from either side.

Mr. Beasley stated that there were probably only 10 police calls since Mr. Singh took ownership and had authority. Mr. Beasley pointed out that calls made to the police were out of Mr. Singh's control.

City of Greenville's Rebuttal

Ms. Gammons stated that from May 2005 to June 16, 2006 there were 140 incident reports written. Ms. Gammons stated that Mr. Beasley's argument that Mr. Singh did not have authority was without merit as Mr. Singh knew what was going on, saw the police coming to his property and had constructive knowledge if not actual knowledge. Ms. Gammons continued that as the manager and applicant for the business license, Mr. Singh had authority and the responsibility for a safe business relative to all the citizens of Greenville. Ms. Gammons stated that to allow this hive of illegal activity to continue would spread out to the whole City of Greenville. Ms. Gammons requested that Council uphold the City Manager's decision to revoke the business license.

Council's Questions

- ▶ Councilman Smock: What measures would Mr. Singh need to take to end the illegal activities on the property?

Response: Mr. Beasley stated that it was difficult to control someone else's conduct, but Mr. Singh already took the following measures: spent \$6,500 on cameras, contracted with a security company to have guards and tv monitors in the main office, \$6,000 on the fence around the property to control traffic flow, and instituted a detailed set of rules that included a \$50 deposit. Mr. Beasley pointed out that Mr. Singh made calls to the police himself to keep people off his property or from coming back. Mr. Beasley stated that Mr. Singh would add more lights to the parking area and that Mr. Singh would do whatever Council deemed necessary.

Councilman Smock: Why were those steps not taken when Mr. Singh was the Manager?

Response: Mr. Beasley stated that Mr. Singh was not authorized to spend any money to make those changes and Mr. Singh was not personally notified and instructed by the police to take those measures.

- ▶ Councilman Smock: How many and of what type were the incidents that occurred since Mr. Singh was the owner of the property?

Response: Ms. Gammons stated that she would need to look up the figure, but that incidents reported from April 2006 included larceny, suspicious person, domestic assault, verbal dispute, burglary, intoxicated persons, loud music, narcotics, drugs and prostitution.

- ▶ Councilman Sofield: How many of the calls were made by Mr. Singh to the Police Department?

Response: Ms. Gammons stated that from April 2004 to August 2006, 42 of the 918 calls were made by Mr. Singh or his daughter.

Response: Mr. Beasley stated that some calls were frivolous and that no report or follow up was made.

- ▶ Councilman Sofield: Would a report be made on a frivolous call?

Response: Mr. Beasley stated that his understanding was that a call with no formal complaint would generate a report only.

Response: Ms. Gammons stated that if a police officer came out to the scene and there was a disturbance, the officer would make an incidence report; but for example, if the police officer found two drunk people and they were willing to go back to their rooms, no incident report would be written in that instance, but it would still be counted as a call for service.

- Councilman Smock: Ascertained that there was approximately 194 incident reports made from the 918 calls. Ms. Gammons assented.

Response: Ms. Gammons requested permission to address the question of ownership Councilman Smock asked of Mr. Beasley. Ms. Gammons stated that Travel Inn used to be called Travel Lodge and that the 2004 business license application included SBPS, Inc. as owner. Ms. Gammons stated that she asked Mr. Singh at the Business License Revocation Hearing how long he had been in the United States, and he responded 22 years, and that he stated that he was the President of SBPS, as noted in the transcript on page 52 - 54. Ms. Gammons stated that as President, Mr. Singh had authority to make changes.

Councilman Sudduth: Acknowledged the changes that Mr. Singh made and asked Mr. Beasley what additional measures Mr. Singh took to change the clientele, such as raising his rates.

Response: Mr. Beasley stated that Mr. Singh asked for identification and driver's license, but had no knowledge if raising the rates was possible or considered. Mr. Beasley pointed out the strict rules Mr. Singh had added and offered to distribute a list of them.

- Councilman Sofield: Neighbors behind the business called her repeatedly as the Councilmember representing that District, realizing that there might be changes and stated that although Mr. Beasley stated that the neighborhood was not so great behind there, she begged to differ that the neighborhood was a great starter neighborhood and there were quite a few young families there and that they were concerned about what was going on at that fence, before and since the fence went up, and pointed out that activities were still occurring there. Councilman Sofield stated that the neighborhood would be looking to see what Council was doing to protect them and pointed out that continual prostitution was occurring there and was based there. Councilman Sofield stated that she struggled with understanding how to allow Mr. Singh's to continue his business while Mr. Singh was not doing much to change the clientele, and in spite of the measures taken, nothing had changed.

Response: Mr. Beasley stated that Mr. Singh has cooperated with the Police on prostitution stings to prevent prostitution from occurring.

- Councilman Sofield: Mr. Singh still rents to that clientele?

Response: Mr. Beasley stated that he would not know what a prostitute looked like and would be amazed if Mr. Singh knew.

- Councilman Sofield: It would be obvious if there was quite a bit of activity in one room.

Response: Mr. Beasley stated that all he was aware of was that Mr. Singh had cooperated with the Police on these prostitution stings and that the Police stated that for the record.

- ▶ Councilman Sofield: Was the prostitution in the area cleaned up?

Response: Lieutenant Evett stated that a prostitution sting was conducted last week and that a female police officer posed as a prostitute, which resulted in two cases in 30 minutes. Lieutenant Evett stated that the problem moved down the street, but that it originated from the hotel.

- ▶ Councilman Shain: Requested more information regarding the security guard.

Response: Mr. Beasley stated that Mr. Singh contracted with a security company before the original hearing, but did not use it because he was shut down. In response to further questioning, Mr. Beasley stated that the hearing was August 29, 2006, and that everything happened in a matter of a few months and that Mr. Singh was shut down pretty quick and that he had already contracted with the security guard and spoke to a police officer regarding off duty work.

- ▶ Councilman Dillard: At any point in time did Mr. Singh confer with the City on how to alleviate the issues at the establishment?

Response: Ms. Gammons stated that he did not confer with the Police Department, and that whenever Lieutenant Evett went to the property, he would speak directly with Ms. Kaur, because she was always there.

- ▶ Councilman Sofield: What would Mr. Singh be willing to do today, if he was given a reprieve? Councilman Sofield stated that there could not be any more calls, and that 918 calls was not a good use of the City police officers' time.

Response: Mr. Beasley stated that Mr. Singh might have a few calls in the normal course of business, but that Mr. Singh would do everything he could and pointed out the investment to security. Mr. Beasley pointed out that some circumstances were out of Mr. Singh's control, but that Mr. Singh would do anything he could in his power to keep his business open.

- ▶ Mayor Pro Tem Flemming: In reference to the \$50 deposit, was it a cash only business or cash and credit?

Response: Mr. Beasley stated that it was both cash and credit.

- ▶ Councilman Sudduth: Coming to a hearing and not having a solution to the problem was not a good answer. Councilman Sudduth expressed concern that at this point a solution to change the clientele or to reduce the call volume was not offered.

- ▶ Response: Mr. Beasley stated that the money spent on cameras, security and fencing was not proposed, but had already occurred. Mr. Beasley stated that it was impossible to come up with a plan to monitor someone coming in to rent a room and doing so would invite lawsuits.

- ▶ Councilman Sudduth: How many cameras were in place, and were they always monitored?

Response: Mr. Beasley stated that there were 16 cameras, and they were always monitored in the main office.

- ▶ Councilman Sudduth: What happened when illegal activities were observed?

Response: Mr. Beasley stated that a security guard would go make contact and find out what was going on.

- ▶ Councilman Sudduth: There actually was a security guard in place?

Response: Mr. Beasley stated that there would be a security guard monitoring cameras as well as security guards walking the grounds. Mr. Beasley stated that Mr. Singh had a contract with Atlas Security and had already implemented the placement of cameras all over the hotel and had built the 6' fence all around the property. Mr. Beasley stated that it was \$600 a week for security guards and \$6,000 was spent on the fence, and \$6,500 was spent for the cameras.

- ▶ Councilman Sudduth: How long has the security firm been in place?

Response: Mr. Beasley stated that the service was contracted a few weeks before the hearing in August, and that Mr. Singh received notice in May and there was not a lot of time in between.

- ▶ Councilman Shain: Requested Ms. Gammons to give a review of previous difficult business license revocation situations.

Response: Ms. Gammons stated that typically the type of incidences in other business license revocations were similar to those at Travel Inn; prostitution, assault and disorderly conduct. Ms. Gammons stated that Mr. Beasley stated that he did not know how Mr. Singh could regulate his clients, but other hotels were able to do that without 918 calls over two years. Ms. Gammons stated that the highest number of calls previously was 100 per year at Relax Inn and that Travel Inn was far beyond that. Ms. Gammons pointed out that Mr. Singh could have monitored his clientele and that other hotels were able to do that.

Response: Mr. Beasley stated that Mr. Singh purchased the property in May and received notice 60 days thereafter. Mr. Beasley stated that after being noticed, Mr. Singh began the process of hiring the security company, and it was true that the cameras were not installed until after the hearing.

- ▶ Councilman Sofield: Mr. Singh was on the property for two years before that.

Response: Mr. Beasley stated Mr. Singh was on the property as manager and did not have the authority to make those decisions.

- ▶ Councilman Sudduth: Did Mr. Singh keep a log or keep track of the people who were arrested in the past, so that he did not offer them a room again?

Response: Mr. Beasley stated that he was not aware of a log, but that Mr. Singh would definitely consider doing so.

Council's Deliberations

Mayor Pro Tem Flemming stated that Council could choose to: 1) affirm the City Manager's revocation action, 2) reverse the City Manager's revocation action or, 3) modify the City Manager's revocation action.

Councilman Smock moved, seconded by Councilman Sofield, to modify the City Manager's decision for business license revocation by granting an extension of six months for a conditional permit, and that those conditions be worked out with the Police Department and the City Manager.

Councilman Smock stated that she would be willing to give Mr. Singh an opportunity to show that he was making a genuine effort, but that it could not be too long as the Police Department had been strained. Councilman Smock stated that in many ways Mr. Singh embodied the American Dream and that she would like to see Mr. Singh succeed in the business. Councilman Smock stated that the conditions should include items that have been discussed this evening such as keeping a log. Councilman Smock questioned whether Mr. Singh had previous experience in managing and owning a motel and suggested a partnership with another hotel in the City that was successful and could advise Mr. Singh. Councilman Smock concluded that after six months, if the conditions were not met, then Mr. Singh's business license would be automatically revoked.

Councilman Shain recalled another revocation hearing where calls were in response to violent situations and expressed concern regarding the safety of the police. Councilman Shain stated that 100 calls were unacceptable and expressed that there should be a limited number of calls that trigger revocation. Councilman Shain expressed concern that the rest of the City and its neighborhoods and citizens suffer when one business takes up so much of the Police Department's time. Councilman Shain stated that a limit be set to the number of police calls and that the Chief of Police be consulted to make that determination.

Councilman Sudduth agreed that this was a resource issue among other things and expressed concern that in spite of Mr. Singh taking ownership in May of 2006, he had been aware of these problems for a number of years and that this fact needed to be taken into account.

Councilman Dillard stated that two business licenses had been revoked in her District with very similar backgrounds and added that people get busy when they think they will lose something. Councilman Dillard pointed out that protecting a \$1.6 million investment early on rather than later in the process spoke volumes. Based on the testimony, Councilman Dillard stated that she had a difficult time believing that Mr. Singh was unaware of illegal activities on the property, and that she was reluctant about giving him a second chance, but would yield to Councilman Sofield as the neighborhood in jeopardy was in her District.

Councilman Sofield agreed and stated that six months was too long and that it was unclear how to put a limit on calls and police service, and expressed concern regarding the

neighborhood's safety, which was a large and growing community. Councilman Sofield questioned whether there was only one official notice.

In response, Ms. Gammons stated that the Ordinance did not provide any set of notice requirements, but that the City as a courtesy would go to businesses as Lieutenant Evett did and would tell them what was happening on the property and that the behavior had to be cleaned up.

Councilman Sofield questioned whether Lieutenant Evett spoke with Mr. Singh. In response, Ms. Gammons stated that he spoke with him on the telephone and made an appointment with him, but that when Lieutenant Evett went there, Mr. Singh's daughter stated that Mr. Singh had to go to a doctor's appointment. Ms. Gammons confirmed that Lieutenant Evett did not speak directly with Mr. Singh, but that he did speak with Mr. Singh's daughter who stated that she was the manager, and was acting manager and was always on the property. Ms. Gammons added per Lieutenant Evett that when he called Mr. Singh to make the appointment, Lieutenant Evett did speak directly with Mr. Singh about the problem. In response to Councilman Sofield's further inquiry, Lieutenant Evett stated that he identified himself and asked to speak to the owner and Mr. Singh identified himself as the owner, and Lieutenant Evett explained the problems and stated that he needed to come to the place of business and meet with Mr. Singh in person to discuss it. Lieutenant Evett added that he took the file with him and stated that the calls increased rather than decreased after that call was made.

Councilman Sofield questioned what response was made by Mr. Singh's daughter at that point, who was acting as manager. Lieutenant Evett stated that the daughter indicated that they called the police regarding the problem before, to which Lieutenant Evett stated that the number of calls for service needed to stop, and added that calling for service was fine, but that the problem should not continue, and Lieutenant Evett reiterated that the number of calls increased.

Councilman Sofield questioned whether the number of calls increased because Mr. Singh thought he was doing the right thing to address the problem. In response, Mr. Beasley stated that Lieutenant Evett testified that in April 2004 he visited Mr. Singh's daughter, but that Mr. Singh's daughter was out of the country at that time and did not return until June 28, 2004 as evidenced by her passport.

Councilman Sofield questioned how many daughters Mr. Singh had. Mr. Beasley stated that he had two daughters, one of whom was 12 years old. Lieutenant Evett stated that he spoke with his daughter personally in the lobby of the hotel.

Mr. Beasley assured Council that Mr. Singh would have the property clean in 10 days or even in a few days.

At this time, Councilman Smock moved, seconded by Councilman Shain, to amend the above motion to modify the City Manager's decision for business license revocation by granting an extension of four months for a conditional permit, and that those conditions be worked out with the Police Department and the City Manager.

Councilman Sofield stated that if in four months it was totally cleaned up and nothing ever happened, then that was fine, however if in one month there was no progress, then she would not be willing to give Mr. Singh three additional months, as it would not be fair to the neighborhood.

Councilman Sudduth questioned the number of calls made from May 2006 to the present. In response, Ms. Gammons stated that from May 2006 to August 29, 2006 that there were 100 calls for service. Councilman Sudduth pointed out that it that was almost a call a day. Mr. Beasley stated that some calls were 911 disconnect.

After discussion, Mayor Pro Tem Flemming called for the vote on the amendment for four months. The motion failed for lack of majority, with Council members Sudduth, Dillard and Sofield dissenting.

At this time, Mayor Pro Tem Flemming called Council's attention back to the original motion stated as follows:

Councilman Smock moved, seconded by Councilman Sofield, to modify the City Manager's decision for business license revocation by granting an extension of six months for a conditional permit, and that those conditions be worked out with the Police Department and the City Manager.

Councilman Shain addressed Councilman Sofield to ask her what length of time would be acceptable to her, and in response, Councilman Sofield stated that she would consider as an extension, but was unsure if Mr. Singh could do what needed to be done within three months and expressed concern for the neighborhood behind the business.

Councilman Sofield pointed out that Council did not want to put anyone out of business, but that Mr. Singh had been on the property for years and that the property should have been cleaned up when he was the manager. Councilman Sofield also stated that she understood Mr. Singh wanted to take care of his family, and that she favored second chances, and that she felt that an extension for 60 days would be acceptable.

Councilman Sudduth agreed that he was in favor of second chances, but pointed out that between May of 2006 and August 2006 Mr. Singh owned the property, made some changes including a camera and fence, but that there were still 100 calls. Councilman Sudduth added that what continued to trouble him was that even at this point, Mr. Singh did not have a plan. Councilman Sudduth stated that he did not want to take away a business license, but that this was a resource issue and would send a message to reputable businesses.

Councilman Smock stated that what she heard was that as soon as Mr. Singh took ownership and invested the money, it was soon after that the business was shut down, therefore Councilman Smock felt that Mr. Singh should have the opportunity to implement the security guard and camera changes, run the business for awhile and give it a chance to work. Councilman Smock stated that she did not hear that Mr. Singh had been given that chance.

Councilman Sudduth appreciated that point, however, expressed concern that there was nothing in place to weed out the element causing problems such as an attempt to keep track of the people causing the problems so as not to have them return. Councilman Sudduth stated that he suspected there were many repeat offenders and that this issue should have been addressed.

Mayor Pro Tem Flemming expressed concern that Mr. Singh might not have experience in hotel management training and that there was no warning process in place.

Councilman Dillard commented that 900+ calls was a warning, but stated that she was willing to extend the business license for 60 days, after which time Council would look for changes to have been made.

At this time, Councilman Dillard moved, seconded by Councilman Sofield, to amend the original motion to modify the City Manager's decision for business license revocation by granting an extension of 60 days for a conditional permit, and that those conditions be worked out with the Police Department and the City Manager. The motion carried 5-1, with Councilman Sudduth dissenting.

Mayor Pro Tem Flemming stated that the above motion, which passed, superceded the original motion, and that the vote taken by Council tonight was final, and that a date needed to be set for the 60 days.

City Manager James Bourey questioned whether Council would reconsider if conditions were not met and whether the business license would be automatically revoked. Mayor Pro Tem Flemming stated that this was not made clear and that perhaps another motion was needed.

Councilman Smock stated that since conditions were not yet spelled out, for the benefit of the appellant, it would be fair to give the appellant, the Police Department and City Manager a chance to work out the conditions before the 60 days began counting down.

City Attorney Ron McKinney suggested that Mr. Singh open and operate one week from tonight and be in operation for a period of 60 days, and at the end of that 60 days, the City Manager and the Police Department would make a full and complete report on all aspects of business operations to the best of their knowledge, and that in the interim one week period, the City Manager and Police Department would be authorized to deliver to Mr. Singh reasonable and realistic conditions that Mr. Singh would have to meet in terms of noise, litter, prostitution, serious calls and the like, and that he would be evaluated at the end of that 60-day period, and absent a dramatic improvement in conditions, the business license would be revoked as originally brought to Council and without further recourse to Council.

Mr. McKinney added that if there were a dramatic improvement that Mr. Singh be on a six month probation, with a subsequent report to Council. Mr. McKinney stated that the conditions should be in writing, not mutually agreed upon, and developed by the City Manager and the Police Department drawing upon their experience in other locations and situations, but that the staff be directed to make them realistic and achievable and would include the security devices already in place and in their full and usual operation. Finally,

Mr. McKinney suggested that if there were a particularly egregious set of circumstances that occurred before the 60 days, Council be notified and reserve the option to terminate the license prior to the completion of the 60-day time period based on that set of circumstances.

Mayor Pro Tem requested that Ms. Gammons and Police Officers be involved as they have been involved in other revocations and know what works best. Mayor Pro Tem Flemming stated that the terms would be non negotiable.

There was some discussion that perhaps the motion was not clear and did not include all conditions intended. For clarity, the motion was restated.

Councilman Smock moved, seconded by Councilman Sofield, to modify the City Manager's decision for business license revocation by granting an extension of 60 days for a conditional permit, and that those conditions be worked out with the Police Department and the City Manager and would include the conditions outlined by Mr. McKinney as stated above. The motion carried 5-1, with Councilman Sudduth dissenting.

At this time, Councilman Smock left the meeting for another engagement related to City business.

Councilman Shain stated that there were businesses downtown, some retail, that over the years requested ways to be permitted to provide valet parking and expressed concern that all businesses were informed regarding this opportunity. In response, Mr. Bourey stated that the City

would work with anyone and that the proposed ordinance considered tonight provided a structure for the City in which to do that. Mr. Bourey added that there were two restaurant entities providing that service now and that no other formal requests were made, but assured Council that staff would work with those interested parties and all others.

Mayor Pro Tem suggested looking at the possibility of designating spaces for business that were experiencing problems with Valet Parking. Mr. Bourey stated that a concern had been that valet parking spaces were adequately designated and that times for that use be clearly marked and to limit those spaces to those that were necessary.

Councilman Sofield expressed concern that the Downtown Neighborhood Association was not adequately informed as they came to tonight's meeting thinking something was happening that was not. Councilman Sofield pointed out that residents were still concerned regarding the Piazza Bergamo and wanted to participate, and requested that staff assure that neighborhoods, including the downtown neighborhoods, have a voice. Mayor Pro Tem Flemming stated that the primary concern of the downtown group seemed to be the smoking ordinance and pointed out that if there were questions the public could always contact the Clerk's Office or City Hall for clarity. 755 Wade Hampton Boulevard

Dear Mr. Beasley:

This is the Notice that City of Greenville will proceed with the revocation of Travel Inn's Business License effective 30 days from the date of this letter. This time is afforded as a means to bring an orderly cessation of all activity. Travel Inn must close **April 30, 2007**.

The basis for Revocation is the management's inability or unwillingness to maintain a safe, drug-free, and crime-free environment.

The Business License was originally revoked by Notice dated August 2, 2006. Upon Hearing the Appeal, City Council expressed concern in the Hearing about the circumstances at Travel Inn over a long period of time but City Council held the Business License Revocation in abeyance. City Council also authorized me to review conditions on an ongoing basis and make decisions concerning the Business License.

From January 2007 through March 2007, four incidences have occurred that reflect the continuation of the prior nuisance pattern.

The first incident occurred on or about January 3, 2007. Police responded to a disconnect call from Travel Inn. Later, Police found that one of the patrons of Travel Inn called 911 because of a dispute he was having with another subject who was very intoxicated and creating a disturbance at

Travel Inn. The subject was placed on Trespass Notice from Travel Inn. Mr. Singh stated to Police that there was no problem when Police questioned him about the incident.

The second incident occurred on or about February 11, 2007 when a homicide investigation revealed that a suspect was staying at Travel Inn. The homicide occurred at Regal Inn, 536 Wade Hampton Boulevard. This suspect was in a room at Travel Inn but had not been registered as required. Lieutenant Randle Evett informed Mr. Singh on February 19, 2007 of this non-compliance and a second non-compliance dealing with registration (only a patron's first name was listed).

The third incident occurred on or about March 7, 2007. Chief Willie Johnson was notified by Greenville County Sheriff's Office that Maninder Kaur, daughter of Mr. Singh, was living at Travel Inn. Ms. Kaur was charged with two counts of Forgery on March 7, 2007. She was arrested at Travel Inn. Mr. Singh stated through you at the Business License Revocation Hearing that Ms. Kaur would not be allowed to resume her residence at Travel Inn because of her criminal activity at Travel Inn.

The fourth incident occurred on or about March 14, 2007. Police arrested three suspects for Possession of Crack Cocaine; the Drug Analysis revealed Cocaine (Crack). These suspects were arrested in the parking lot of Travel Inn as they were returning to the room of Leroy Johnson and Donald Parker Salmon, patrons of Travel Inn.

This resumed pattern of nuisance conditions is unacceptable.

Sincerely,

James M. Bourey
City Manager

ON 03-07-07, THE VICTIM CAME TO THE CID OFFICE AND MET WITH ME CONCERNING THIS CASE WHICH IS ASSIGNED TO INVESTIGATOR WEINER. I SHOWED THE VICTIM A SIX PICTURE PHOTO LINE-UP WHICH WAS PREPARED BY SLED USING DRIVER'S LICENSE PHOTOS. BEFORE SHOWING THE LINE-UP TO THE VICTIM, I EXPLAINED TO HER THAT THE SUSPECT RESPONSIBLE FOR THIS INCIDENT MAY OR MAY NOT BE IN THE LINE-UP. I TOLD HER TO LOOK AT EACH PICTURE CAREFULLY AND TO POINT SOMEONE OUT ONLY IF SHE WAS SURE.

I THEN PRESENTED THE LINE-UP TO THE VICTIM AND SHE IDENTIFIED PHOTO NUMBER 5 AS THE PERSON SHE KNOWS AS "LUCKY" FROM "A TASTE OF INDIA". I HAD HER CIRCLE THE PHOTO SHE IDENTIFIED AND HAD HER INITIAL IT. I THEN HAD THE VICTIM SIGN, DATE, AND WRITE THE TIME ON THE BACK OF THE LINE-UP AS WELL AS A SHORT STATEMENT. IN THIS STATEMENT THE VICTIM STATES THAT PHOTO # 5 IS "LUCKY" AND SHE IS THE PERSON TO WHOM SHE GAVE HER CREDIT CARD.

AFTER SHOWING THE LINE-UP, I COMPLETED AN AFFIDAVIT OF PHOTOGRAPH IDENTIFICATION. THE VICTIM SIGNED THIS AND I SIGNED AS A WITNESS.

I THEN TOOK A TYPED STATEMENT FROM THE VICTIM. SHE STATES THAT SOMETIME IN EITHER DECEMBER 2006 OR JANUARY 2007 SHE ATE AT "A TASTE OF INDIA" ALONG WITH A FRIEND OF HERS. SHE STATES THAT AFTER EATING SHE WENT TO THE REGISTER TO PAY AND THE GIRL SHE KNOWS AS "LUCKY" WAS WORKING. SHE STATES THAT "LUCKY" STARTED TALKING TO HER AND HER FRIEND. SHE STATES THAT SHE DID NOT REALIZE AT THE TIME THAT SHE NEVER GOT HER DISCOVER CARD BACK. THE VICTIM STATES THAT SHE PAID FOR HER LUNCH AT ABOUT 1300 HOURS AND SHE THEN RECEIVED A CALL FROM HER CREDIT CARD COMPANY ABOUT SOME CHARGES THAT SEEMED UNUSUAL TO THEM. SHE STATES THAT ONE OF THE CHARGES WAS AT BI-LO FOR A COUPLE HUNDRED OF DOLLARS AND ANOTHER ONE AT OFFICE DEPOT FOR SEVERAL HUNDRED DOLLARS. THE VICTIM STATES THAT WHEN THE CARD COMPANY CALLED HER SHE LOOKED FOR HER CARD AND THAT WAS WHEN SHE REALIZED THAT SHE DID NOT HAVE IT. THE VICTIM STATES THAT SHE DID NOT KNOW IF SHE HAD LEFT HER CARD OR MAYBE HAD DROPPED IT SOMEWHERE WHILE LEAVING THE RESTAURANT.

I TOOK A TYPED STATEMENT FROM THE VICTIM AND THEN HAD HER READ OVER IT TO ENSURE THAT IT WAS CORRECT. SHE STATED THAT IT WAS CORRECT AND SHE THEN SIGNED HER STATEMENT AND I THEN SIGNED THE STATEMENT AS A WITNESS. INVESTIGATOR JOE WOOD NOTARIZED THE STATEMENT.

On 3-8-07 I was advised by the victim in this case that she had been contacted by the suspect. The victim advised that the suspect called her phone, but the victim would not pick up. The victim's husband answered the phone and stated that the victim was not present. The husband then continued a conversation with a female who identified herself as 'Lucky.' 'Lucky' offered to pay restitution to the victim if she would drop the charges.

The victim provided me with a written statement of these facts.

Miranda Baladi • do hereby give freely and voluntarily this statement to

who have identified themselves to me to be Deputies of the Greenville County Sheriff's Office, Greenville, South Carolina. I have been advised that I do not have to make this or any other statement, and that what I say can be used against me in a Court of Law. I have been advised that I have the right to Counsel with an Attorney of my choice, that if I am financially unable to obtain an Attorney the Court will appoint an Attorney to represent me. I have not been threatened or promised any reward to make this statement.

I am 28 years old, and I reside at: Greenville SC

I have a 18 years grade education, and I can read and write.

MB Today 3-8-07 when I was getting ready to leave my home for work the phone rang. The caller ID did not list a number so I did not answer it. It rang again and my husband Jaime Gonzalez picked the phone. Jaime told the caller that I was not there. I could tell by the conversation that my husband was talking to 'Lucky.' 'Lucky' told my husband that the police said if she paid you the money back then the charges would be dropped. Jaime never told 'Lucky' that I was there and told her that he had to go to work so he hung up. I have not spoken with 'Lucky' since then. 'Lucky' does have my cellular phone number and that is the number she called this morning. I have since missed two calls from 864-201-0950. I don't know whose number that is. MB

I have read the above statement of 1 pages and it is true and correct as best I recall.

On 3-19-07 I was contacted by the victim about some fraudulent use on his credit card (Discover # 3374). The victim advised that after he ate at the incident location on the date listed his card was taken. The victim was not sure when the card went missing, but that he did use it to pay \$51.00 for a meal on his mother's birthday. Shortly after that transaction on 2-15-07 the fraudulent transactions began. The total amount of the transactions totaled \$904.67. The transactions began on 2-16-07 and ended on 2-18-07 when Discover canceled the card. Based on prior cases involving the suspect (07-31416) I had the victim identify the individual he knew as 'Lucky' who last possessed his credit card. The victim properly identified the suspect from a six photo array. I obtained a written statement from the victim in which he described that the suspect

On 3-26-07 the listed suspect turned herself in at the LEC. The suspect was accompanied by her attorney, Chase Harbin. The suspect agreed to give a statement relating to this case as well as the remainder of the cases she is charged in.

With her attorney present the suspect was advised of her miranda rights. The entire interview was digitally recorded. The suspect admitted to using the victim's card in this incident, but she stated that another W/F only known as Annette was the one who actually stole the card. The suspect could not provide any further details on Annette, but stated she would try to find out her last name.

The suspect admitted to using the cards in all of the other cases, but stated that Annette was the primary card user. The suspect denied actually taking the cards from the victim's, but stated that they would leave their cards behind in the restaurant.

The suspect had the listed warrants served and was brought in front of Judge Hudson. Judge Hudson set a \$5000 recognizance bond. I then turned the suspect over to latent processing in good condition.

I, Maninder Kaur,

do hereby give freely and voluntarily this statement to
and J. Wood

who have identified themselves to me to be Deputies of the Greenville County Sheriff's Office, Greenville, South Carolina. I have been advised that I do not have to make this or any other statement, and that what I say can be used against me in a Court of Law. I have been advised that I have the right to Counsel with an Attorney of my choice, that if I am financially unable to obtain an Attorney the Court will appoint an Attorney to represent me. I have not been threatened or promised any reward to make this statement.

MK I am 21 years old, and I reside at: Greenville SC

I have a 12th grade education, and I can read and write.

I have been advised miranda rights. I have retained Chase Harbin as my legal counsel. I am not under the influence of any narcotics or alcohol that would affect my judgment. I am giving this statement on my own free will.

I own a restaurant called 'Taste of India.' The restaurant is located at 767 Wade Hampton Blvd. In December of 2006 I started hanging out with a girl named 'Annette' Annette is a W/F she's about 35 years old, about five feet tall and she had burgundy hair and blue eyes. I don't know if she has any tattoos or other marks. I think she lives in Greer behind the Target on Wade Hampton Blvd. Annette kept clothes and personal items at my apartment off of E. North St.

Annette has been arrested before for check frauds. She started talking about taking credit cards from some of my customers. I don't what I was thinking but I did it anyways. The first card I took was Maranda Baladi. Maranda left her jacket at the restaurant and the card was inside it. I went with Annette to Office Depot to use Miranda's card. I bought gift cards with the credit card. I used the credit card but Annette kept the gift cards.

The next card I took was Anthony Ruhlman's. I took that card about the same time, Anthony left his in the bathroom. I used Anthony's card at CVS and Annette used it the rest of the time. Then I got Stephen Spring's. Stephen left his card on the counter. The only place I used Stephen's card was at Bi-Lo for \$100. Annette had the card the rest of time. As far as Ravj Ganesh's card is concerned, he left it the counter, but I called IBM to let him know I had it.

I got Rahul Sundrani's card from Annette. I remember his little daughter was holding the card, but I don't know how Annette got it. The only charge where I used his card was at office depot for \$400.

When I was arrested by Inv. Weiner I had in my possession an American Express \$100 gift card. This card was purchased by Annette with another credit card I got from my restaurant. I don't know whose card it is. Annette gave me the gift card to buy some cigarettes for her.

MK I allowed the investigator to write the statement there is nothing more I want to add.

I have read the above statement of 1 pages and it is true and correct as best I recall.

I am 35 years old, and I reside at: Greenville

I have a 18 years grade education, and I can read and write.

On 2-19-07 I was contacted by my credit card company, Discover Card, about some questionable transactions. According to Discover there was approximately \$1900 in charges in question, those charges were made in the past three days. I did not make any of those charges in question, so Discover canceled the card and sent me a new one.

On 2-15-07, the last place I used my Discover card was at Taste of India on Wade Hampton Blvd. I remember that day well because it was my mother's birthday and she loves Indian food. I am friendly with the owner, who I know as 'Lucky.' I did not notice my card missing, but that was the last transaction I made with it before it was fraudulently used.

Lucky has my wife's phone number. She has called her before when I left a digital camera at her restaurant. Today I was shown an array of six photographs. Of those six photographs I chose the one marked '5' as the person I know as Lucky.

	On 3-9-07 the listed suspect turned herself into the LEC. Because of a pending bond revocation hearing Judge Foster set no bond on the suspect. The suspect was then turned over to detention in good condition.										
	While walking the suspect over to detention she reiterated to me that she stays in the restaurant, on the top floor. She also stated to me that she attempted suicide on the evening of 3-8-07 by taking sleeping pills. I did advise detention of that statement. Judge Foster did advise the suspect of her rights. I asked the suspect if there would be anymore victims and she said 'Yes, some guy named Jacob,' but the suspect did not know his last name.

I am 28 years old, and I reside at: Greenville SC

I have a 18 years grade education, and I can read and write.

- a. On 3-7-07 I went and ate at 'Taste of India' restaurant. I paid for my meal with my Bank of America Visa card. I have provided a copy of the receipt from my meal. A female was the one who processed my Visa card. I was shown an array of six photographs. Of those six photographs I chose the picture marked '5' as the person who last possessed my card.

I did not notice that my card was gone until I was contacted by Inv. Weiner with the Sheriff's Office. I did not give permission to anyone to possess the card. I have since canceled the card. The card that was returned to me today is the same one that I used at 'Taste of India.'

I have read the above statement of 1 pages and it is true and correct as best I recall.

On 3-6-07 Miranda Jackson () came to the LEC to make a written statement. Ms. Jackson is employed by the CVS located at 7401 Augusta Rd. Ms. Jackson used to be employed at the CVS located at 426 Wade Hampton Blvd for several years. While employed there Ms. Jackson became very friendly and familiar with the suspect. Ms. Jackson only knew the suspect as 'Lucky.' Ms. Jackson advised that in late December (12-28-06) the suspect came to the store in Piedmont and made a large purchase (\$417.85). Ms. Jackson advised this was to purchase Visa gift cards and Home Depot gift cards. Ms. Jackson advised that the suspect returned a few days later (1-4-07); this time with her husband and her child. The suspect again made another large gift card purchase (\$423.80). Before the suspect left she handed Ms. Jackson one of the \$50 Visa gift cards. Ms. Jackson stated that it is very unusual and extremely rare for some one to make such a large purchase at CVS. Ms. Jackson advised, that she was confronted by her old manager (Terry) from Wade Hampton Blvd. that the suspect may be using stolen credit cards. Ms. Jackson advised that the suspect returned again to make an even larger purchase, around \$600, of gift cards, but this time Ms. Jackson refused the sale but did not tell the suspect why. Ms. Jackson advised she has not spoken with nor seen the suspect since the last time she was in the CVS in Piedmont. Ms. Jackson provided me with a written sworn statement if these facts. She also successfully identified the suspect out of a six person line up. Ms. Jackson also still had the \$50 Visa card she was given by the suspect, which I have now placed into P & E.

VEHICLE	On 3-7-07 I went to the Travel Inn located at 755 Wade Hampton Blvd. This is the last known address for the listed suspect. Attached to the motel is the suspect's restaurant, 'Taste of India,' which has a street address of . I had the listed warrants in hand when I approached an elderly I/M. I identified myself and advised him why I was there. He wanted to know what the charges were, but I advised him they were felonies and that I needed to talk to the suspect. The I/M made a phone call and then said that she was in the restaurant. I looked over at the restaurant where another I/M was standing outside and he stated that she was at the motel.																																																																																										
	walked inside the restaurant and began looking for the suspect. I walked into the kitchen and observed a back office that had a bed made on the floor. The kitchen was filthy and I was unable to locate the suspect inside. I walked back out to the main dining area, which was empty, and the I/M present identified him self as the suspect's husband. He stated that he had the suspect on the phone. I spoke briefly with the suspect and she advised she was on her way back from Anderson and would be arriving in twenty minutes.																																																																																										
	I walked outside of the restaurant and walked straight to the office of the motel and the suspect was standing inside talking on the phone. At that time I took the suspect into custody without incident. I walked the suspect back to my vehicle where she was belly chained and cuffed, then seated and belted in my vehicle. I then advised the suspect of her charges. She began saying 'this is crazy, I don't steal. I might have used someone's card but it was with their permission.' I then drove the suspect to the LEC to give her the opportunity to make a written statement.

When we got to my office the listed warrants were served on the suspect. The suspect then refused to make any statements. All she would say was that she would kill herself before she caused her father any more trouble. I walked the suspect to Judge Hudson's office to have a bond set. When I was filling out the paperwork the suspect stated that Miranda Baladi was her best friend, and that she was with her when she used her credit card (case #07-14966); however the suspect may have been referring to the witness Miranda Jackson. When asked for her current home address the suspect provided I asked her if that was the restaurant and she responded 'yes, but I live there too.' Judge Hudson set the bond at \$2000/\$4000 on each charge. I then walked the suspect to detention. When filling out the pre-detention checklist the suspect began saying she would tell me whatever I wanted to know if I could get her out of jail. I told the suspect that I had given her the opportunity to make a statement and she refused. I also advised the suspect that I would talk to her on 3-8-07 if she was still in detention. Search incident to arrest I located a \$100.00 American Express gift card and a Bank of America Visa card that belonged to Ravi Ganesh. I then turned the suspect over to detention in good condition. The gift card and the credit card were placed into P&E. I spoke briefly with Ravi Ganesh and he advised he had eaten at the suspect's restaurant and has since lost his credit card. Mr. Ganesh advised he would be in on 3-8-07 to speak with me and retrieve his credit card.

STATE OF SOUTH CAROLINA
COUNTY OF GREENVILLE

1-07-31416

I, Miranda Jackson do hereby give freely and voluntarily this statement to
D. Weiner and M. Fields

who have identified themselves to me to be Deputies of the Greenville County Sheriff's Office, Greenville, South Carolina. I have been advised that I do not have to make this or any other statement, and that what I say can be used against me in a Court of Law. I have been advised that I have the right to Counsel with an Attorney of my choice, that if I am financially unable to obtain an Attorney the Court will appoint an Attorney to represent me. I have not been threatened or promised any reward to make this statement.

I am 21 years old, and I reside at: _____

I have a 12th grade education, and I can read and write.

I am currently employed by CVS. I have worked for CVS for about 3 years. I used to work at the CVS at 426 Wade Hampton Blvd. While I worked there I began to become friendly with a customer I only know as 'Lucky.' 'Lucky' is an Indian female with long black hair and a poor complexion. 'Lucky' is married and has a small child, about 2 1/2 years old, his name is Jesse.

I started working at the CVS in Piedmont in mid-September of 2006. On December 28th 'Lucky' came into my store. I think this was the first time I saw 'Lucky' at the store in Piedmont. 'Lucky' was by herself and I remember her buying a lot of gift cards and she charged them to a credit card. I never saw the credit card up close because 'Lucky' swiped it through the machine on the counter.

'Lucky' came in again a few days later (1-4-07) and she bought more gift cards, a lot of them. This time she was with her husband and her son, Jesse. This time before 'Lucky' left she gave me a \$50 Visa gift card she had just purchased.

'Lucky' did this one more time and tried to purchase a lot more gift cards, around \$600.00. This was not long after she came in the store last. I had already been talked to by Terry, my store manager from Wade Hampton Blvd., that 'Lucky' had possibly been using stolen credit cards. When 'Lucky' tried to ring up the purchase I told her that we don't take credit cards any more for gift card purchases and she left. I have not seen or heard from 'Lucky' since that day.

On 3-6-07 I went to the Law Enforcement Center where I was shown an array of six photographs. Of those six photographs I chose photograph number '5' as the person I know as 'Lucky,' and the person who purchased all of the gift cards and gave me one of them.

I, Anthony Ruhlman

do hereby give freely and voluntarily this statement to
and J. Wood

who have identified themselves to me to be Deputies of the Greenville County Sheriff's Office, Greenville, South Carolina. I have been advised that I do not have to make this or any other statement, and that what I say can be used against me in a Court of Law. I have been advised that I have the right to Counsel with an Attorney of my choice, that if I am financially unable to obtain an Attorney the Court will appoint an Attorney to represent me. I have not been threatened or promised any reward to make this statement.

I am 41 years old, and I reside at: Greenville SC:

I have a 18 years grade education, and I can read and write.

Δ2. I eat regularly at the 'Taste of India.' Sometime I eat there at least once a week. I have become friendly with the woman who runs the restaurant. I know her as 'Lucky.' 'Lucky' I/F with medium length dark hair. She around 5'6 with a medium build. Every time I go 'Lucky' and her husband I know as 'Z' are the only two people I see in the dining area there. 'Lucky' has never called before. In late December I remember eating at the 'Taste of India,' I particularly remember that meal because my sister, my wife, and my son were with me. That was the only time I ate there and it was not associated with a group of friends from work. 'Lucky' was always chatty and super friendly, I don't remember her keeping my card, but that was the last place I used it before it was stolen. I was more distracted than normal because my two year old son, Charlie, was with me.

I travel a lot for my job and its possible that the credit card company tried to contact me, but I don't pick up the phone when I see them calling because I get tired of those harassing calls. I didn't use the card for a while because I had used it extensively just before Christmas and I didn't want to charge a lot more to it. I was traveling in North Carolina when I decided to use the card to pay for a meal. When I opened up my wallet I realized it was gone.

At that point I pulled up the statement to look at the activity and I could see a lot of unauthorized activity so I called the credit card company to cancel the card.

Today 3-8-07 I was shown an array of six photographs. Of those six photographs I chose the photograph marked '5' as the person I know as 'Lucky.'

Around 0805 this morning (3-8-07) I received a phone call, at my home, my wife answered the phone and said it was 'Lucky.' When I picked up the phone 'Lucky' says 'Hey Tony it's Lucky I was just calling to see if you could drop those charges.' I told her I haven't filed any charges and that the credit card company is the one driving the process. She said 'They came and served a warrant yesterday and that they're lying to you, you can drop the charges, I'm not a bad person. If you drop these charges I won't have to go to the big court. I don't want to go to jail.' She also told me that 'the credit card company has been reimbursed and that I can pay you the money.' She also told me 'I didn't make all those charges, the later ones someone else did because I left the card in a parking lot.' I told 'Lucky' that I would talk to the credit company just so that I could get her to leave me alone. 'Lucky' also asked me for my work number, which I gave her because I knew she already had it with one of my co-workers also involved with this case. I then hung up the phone. KRR

I have read the above statement of 1 pages and it is true and correct as best I recall.

FILED-CLERK OF COURT
GREENVILLE CO S C
PAUL D. WICKENSINGER

Office of the City Attorney

December 9, 2009

The Honorable Edward W. Miller
305 E. North Street, Suite 219
Greenville, SC 29609-4751

Re: *Amrik Singh vs. City Of Greenville*
2007-CP-23-02755

Dear Judge Miller:

On November 17, 2009, Travel Inn's appeal of its business license revocation by the City of Greenville came before you for oral argument. The testimonial evidence of record had shown an abnormally high number of police calls to the premises during the tenure of Amrik Singh as the primary party in charge of the premises. At the close of arguments, the Court requested the City to supplement the record of the administrative proceedings with back up information on the calls to all hotels in the City of Greenville for purposes of addressing whether those to the Travel Inn were abnormally high.

The Greenville Police Department has now retrieved the requested data from its dispatch records. Enclosed please the following:

1. A printout of calls to all hotels in the City for April 1, 2004 through June 16, 2006;
2. A "key" explaining the alpha-numeric call codes used in the printout; and
3. A compiled summary of the type calls and the number of calls for each hotel.

The time period used in the printout and summary for all hotels is precisely the same as that used in administrative proceedings for the Travel Inn. Please note that the printouts themselves are by street address, not by hotel name. The Greenville Police keep such records by street address and not by business name and occupancy. Therefore, we have identified by name the hotel for the street address used in each set of printouts for the location. Finally, we have prepared a compiled summary of calls by type of offense for each hotel. The back up information confirms that the Travel Inn had an abnormally high number of police calls during the tenure of Amrik Singh.

For the record, we are glad to gather the information the Court has requested and to present it to the Court and opposing counsel. Still we wish to preserve for the record the City's earlier argument that the testimony of record of Lt. Randall Evett at the initial administrative hearing was more than sufficient to constitute substantial evidence of the underlying finding on the administrative record. Mr. Singh was represented by counsel at the time and had ample opportunity to challenge the accuracy and relevance of the information. The administrative record has always been more than sufficient to withstand the challenge presented on appeal. The legal standard is whether the appellant can show the action was arbitrary and capricious.

Thank you for your attention to the information provided here. If you have additional requests, please let me know.

Sincerely,

Ronald W. McKinney

Subject: RE: 07-CP-23-02755; Singh v. City of Greenville

Mr. McKinney:

The Court is in receipt of the packet of information you submitted in the above-referenced matter and has a few follow-up questions for you:

1. The police log you provided lists a total of 901 calls to this location (Travel Inn); however, in your summary, you elaborate on a total of 390 calls – what appear to be more serious offenses. Can you clarify the discrepancy in these numbers for the Court?; and
2. Can you please provide the Court the following information:
 - a. What is a “Welfare Check” (incident #1)? Can you tell the Court what this entails?; and
 - b. What is a “Hold Up Alarm” (incident #2)?

Please copy all counsel of record in your response to the Court. Thank you for your assistance with this matter.

Sincerely,

Teal Johnson

We have had the Police gather those from scratch. We are working on the formatting to be similar to what was presented to the court in the hearing. It will be before the same exact time period. If it is not finished today, I believe it will be finished tomorrow.
