To South Carolina Court of Appeals:

SC Court of Appeals

I have been looking over my trial and to my knowledge i see somethings that need to be corrected. I feel the case should have been dismissed or Considered A miss trial, knowing the rictim in this case Never showed up. On page 86, where number 24 is. The court Ask Mr. Hayes, Any motions. I want yall to look at 1-11 on page 87 Where Mr. Hayes is saying all of this infocmation is through a third parties. Thats why he ask the state to move for directed verdict. Look on the same page (87) 6-8, Mr. Hayes is trying to tell them the victim isn't there to even testify. And all of their information is from A third party individual. Which admitted under oath that she never liked me. (Natalie Moore). The jury should have know All that information was hear say and there wasn't enough evidence to convict me. Now look at pg. 138 Number 11 deliberations, read 24-25 And go on over to Pg. 139: 1-4. You see where Mr. Hayes is arguing that the victim is not their to question. And that the state fails to be able to meet the definition of house hold member without hearsay evidence. That alone should have been enough to dismiss the case against me. Also on page 139, when the motion was denied, why didn't my attorney ask to raise the appeal issue, when he should have. He had a right to. Why didn't Lamyrca Jenkins come to court? Cause he knew natalie moore was lying. He said he told the people that came to his Job to subpoena him the same thing. Lawrence Spencer lied on pg 50: 3, i never hung out with him. He was a lot younger than me, my mom use to baby sit him and his sister. On page 41, he told Another lie, he said he been in Aiken for ten years. If you look in his school records, you'll see he been in Aiken well over ten years. He was no more than 6 when my mom use to baby sit him. He's mad cause he crack on my wife and she turned him down, and told me he tryed to get with her. Well Thanks for giving me the chance to say what i feel is right. Me + My wife love each other we have 9 kids together 7 girls + 2 boys, her number is 803-439-0889. Deep down inside she know i didn't do nothing. On Another piece of small paper i'm gonna write down Another persons case that similar to mine. It was over turned and was set free of the Charge. Maybe it'll help my case! Thank you!
