Re: **The State v. Charvus Nesbitt**  
*Appellate Case No. 2012-212222*

Dear Mr. Shearouse:

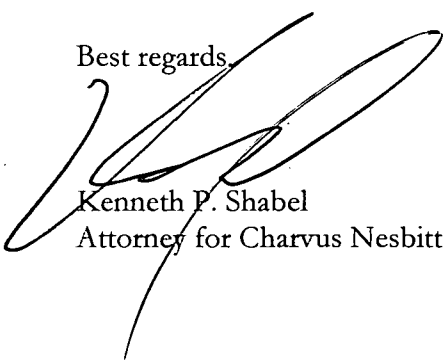

Thank you for your letter dated July 10, 2014 regarding scheduling of this case for oral argument.

At this point, I have no conflicts on September 23-25, 2014. I have a mediation tentatively set for the morning of September 25, but that can be easily moved.

I would like to inform the Court that my daughter is scheduled to have major surgery through Shriner's Hospital sometime in September. I do not know the date at this time. It is possible that the surgery could be scheduled for this time. If (and only if) that does get scheduled during this period, I would at that point ask the Court for a postponement beyond this term. I will make that request if and when necessary.

Do not hesitate to contact me if you have further questions or need additional information.

Best regards,

Kenneth P. Shabel  
Attorney for Charvus Nesbitt
