RE: *Cynthia McNaughton v Charleston Charter School for Math and Science, Inc.*
Appellate Case No.: 2012-212451
State Court Case No.: 2011-CP-10- 01528
File No.: 9457.0000

Dear Mr. Shearouse,

I am in receipt of your letter dated July 10th regarding potential argument dates. Please note that I do not have any scheduling conflicts for September 23rd, 24th, or 25th. Please also note that Lucy Sanders will be on maternity leave during the month of September, but we are not requesting that the argument be postponed, as I will be the attorney arguing the case for Respondent.

With kindest regards, I remain,

Sincerely,

Nancy Bloodgood
