P.S. I wrote you 4-4-2014.

Shouldn't I have received a lawyer from Indigent Defense by now or is this normal?

Please look at this closely, because my last PCR was not untimely. Some of the issues was, but not the main ones. The Supreme court is how I got to this point. See Rolen vs. State 384 S.C. 409, 683 S.E. 2d 471 (2009).

Thank you.
