**MOTION TO EXTEND**

---

Comes Now, Respondent, the South Carolina Department of Corrections, and requests that this Honorable Court grant respondent an extension of thirty days to file an initial brief and designation of matter to be included in the record on appeal. In support of this request, Respondent shows this Honorable Court the following:

1. Due to an unexpected increase in caseload, respondent requires additional time in order to prepare its initial brief and designation of matter to be included in the record on appeal.
2. An extension of time to file the respondent's initial brief and designation of matter to be included in the record on appeal would not result in any prejudice to appellant.

WHEREFORE, Respondent requests that this Honorable Court grant respondent an extension of thirty days to file its initial brief and designation of matter to be included in the record on appeal.
