Pursuant to Rule 208(b)(2)(5), SCACR, Renewable Water Resources ("ReWa") hereby requests the right to expand the page limit for its Initial Appellate Brief by ten (10) pages or less. This request is due to: (1) the extensive background facts in dispute; and (2) the number of issues involved in this appeal and their attendant complexity. Although ReWa is contemporaneously filing its Initial Brief, ReWa further moves that the formal time for filing the same be stayed pending a decision on this Motion. If the Court grants the instant Motion, ReWa would request the time for filing be stayed until the date of issuance of the Order granting the same. If the Court denies the Motion, ReWa would request an additional seven (7) days from its receipt of such Order to make further edits to its Initial Brief.
