Appellate Case No. 2011-204367

ORDER

Respondents Olysia Matyushevsky, Citizens Opposed to Domestic Abuse, and Christine Varg filed a motion to dismiss or, in the alternative, to strike Appellant's final brief because it included factual statements and legal arguments not included in his initial brief. Respondent Liling Sun filed a motion to supplement the record on appeal to include items Appellant failed to include in the amended record on appeal.

After careful consideration, we strike Appellant's final brief. Within twenty days, Appellant shall file and serve an amended final brief and amended final reply brief that is identical to his initial briefs, except for citations to the record and correction of typographical errors and misspellings. *See* Rule 211(b), SCACR. Additionally, we grant Respondent Liling Sun's motion to supplement the record on appeal.
