## Certificate of Counsel

Petitioner certifies that Petition For Rehearing was made and Finally Ruled on by the Court of Appeals.

### Question(s) Presented

1. Did the Court of Appeals err in not entertaining the fact that the Administrative Law Court is denying inmates judicial review and discriminating against them by not allowing them to waive the \$25.00 filing fee after three filings in a year?

### Statement of The Case

On 2-25-13 Petitioner was found guilty of Poss. of Contraband. He appealed to his Step 1 and Step 2 and both were denied. He attempted to Appeal to The ALC but they denied him the Right to Judicial Review by not allowing him to file a waiver for the \$25.00 filing fee after (3) filings in Calendar year.

### Argument

Petitioner timely filed a Notice of Appeal In The Court of Appeals. The Court of Appeals should've heard Petitioner's argument, arguing that the Court of Administrative Law Judge is denying inmates judicial review and discriminating against them by not allowing him to waive the \$25.00 filing fee after three filings in a year.

The ALC will allow anybody else to waive the filing fee except inmates. This denies him the right to be treated equal and is a violation of U.S. Const. amend. XIV §1 S.C. Const. art. I, §3.

### Conclusion

For the reasons stated, petitioner asks the Court to grant the petition for a Writ of Certiorari.
