Deficiency Corrections

Date: July 22, 2014, 25 Ramadan 1435 A.H.

Dear Mrs. Shealy:

I am in receipt of your letter dated July 15, 2014 and have corrected the following deficiencies for the Petition for Writ of Certiorari:

1. Enclosed please find two copies of the Appendices as required by Rule 242 (e) SCACR.
 - a. I mistakenly presumed that since these documents were already online at the South Carolina Appellate Case Management System that it was not necessary to reprint them again. However, it took very little time to do so; the only extra costs I incurred were another ream of copy paper and installing a new black laser ink cartridge. I'll make sure to keep my office supply inventory ready.
 - b. Both copies are unbound, but neatly collated.
 - c. I titled the caption coversheet "**Appendices for Petition for Writ of Certiorari**" because the case was dismissed before the opposing parties had an opportunity to submit a "Record on Appeal" or "Briefs".
 - d. I have not been served with any replies so these are not included.
2. Enclosed please find the fourth Proof of Service to The Honorable Jenny Kitchings, Clerk of the Court of Appeals as required by Rule 203 (3) SCACR.
3. I also included my third revision to the Motion and Affidavit to Proceed without Prepayment of Costs.
 - a. This copy includes the correct Appellate Case No. of 2014-001508.
 - b. The date correction on the signature line and a small grammatical error.

Sincerely,

Regina M. Hunter
