Subject: Re: Appeal Bond Request

Hi Trisha,

The below is what I wish to include as we move to deny Danny's request for bond. If you have any questions or need anything at all, please let me know. Thank you so much for the assistance!

The man that is incarceration that is in question for bond, Danny Spade, should absolutely remain behind bars. He is an extreme threat to society and to children everywhere. To even think of releasing someone like this is not only terrifying but intimidating. This case is across multiple jurisdictions and involving multiple people. He was sentenced to maximum security for 35 years for a reason, he rapes children. The events spoken at trial are just minimal to what he has done. At his trial, there was no one to speak on his behalf. There was not a family member, nor friend that would speak to his character or innocence.

To think that my daughter put herself out there to speak against her abuser and him being released back into society is absurd. Her primary platform to grow and heal is knowing that she is safe from the reach of Danny Spade. Danny told her he would kill her and her mom if she ever told of his abusive actions. [Victim] believes that to be true. It would be completely irresponsible to [Victim] and to society to allow this man to be free for even one minute. Please don't fall for the lies and manipulation of this man. How can you expect honesty and good behavior from a man who has no remorse for raping children. Our family has lived in constant fear of his constant threats and vows to harm our family and our lives.

To the world, Jerry Sandusky looked like a saint, professed his love for children, yet he is a monster that still claims he's innocent. Daniel William Spade is a child molester, he molested two of his four biological children. How many more children will it take for everyone to recognize that Danny is a narcissistic-sociopath and a threat to our most innocent. Danny is no different than Jerry, he will always portray himself as the victim and deny any wrong doing. He is NOT the victim, _____ and [Victim] are the victims of DANIEL WILLIAM SPADE. Don't ignore their outcries...

Daniel Spade is a monster and jails were made for people like him. We are intimidated by the thought of his release 35 yrs from now. Please do not take the word of the experts and the 12 people that found him guilty.
