Re: *State v. Venancio Diaz Perez*
Appellate Case No. 2013-000179

Dear Ms. Kitchings:

Enclosed for filing, please find the original and fourteen (14) copies of the State's Final Brief of Respondent served on Appellant in the above-referenced appeal. I have also enclosed the original Proof of Service indicating service of the Final Brief on today's date, as well as the original Supplemental List of Redacted Identifiers.

I have also enclosed the original Redacted Initial Brief of Respondent. During our conversation earlier this week, I was told to file a redacted version of the Initial Brief because the birthdate of a minor had been inadvertently included in the brief. A copy of this Redacted Initial Brief has been served upon opposing counsel, and I have enclosed Proof of Service indicating service of this Redacted Initial Brief on today's date.

And because the testimony as to the birthdate was redacted from the Record on Appeal without being replaced with a substituted identifier, I was told to submit a Supplemental List of Redacted Identifiers. A copy of this Supplemental List has been served upon opposing counsel, and I have enclosed Proof of Service indicating service of such on today's date.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

Sincerely,

Amie L. Clifford
Special Assistant Attorney General
