Subject: Amending Prayer for Relief to include Prayer for Remand to Judge Nicholson

SC Court of Appeals

Hamlin – I tried to reach you by phone but you were unavailable and I left you a message. My initial Respondent's Brief was served and filed with the Court of Appeals on Thursday albeit it was not due until today. I am writing to advise you that I am amending my prayer for relief to include a request that, in addition to affirming Judge Nicholson's Order, the Court should Remand the case to Judge Nicholson for the purpose of considering and ruling upon Respondent's claims for damages and attorney's fees which he bifurcated at the time of our initial trial. I intend to add this to my Respondent's final brief when it is served and filed. Please let me know if you have any objections to this. Best regards, Dana
