Dear Ms. Kitchings,

**SC Court of Appeals**

July 28, 2014

I apologize for disturbing you. However, I find it necessary. Attempts to get the information I need have been next to useless. Even today! Between 2:30-3pm I attempted to get the address I will be needing to send my Application for Federal Habeas Corpus. Ms. Wanda Carter was ultra busy I guess, because I was (in my opinion) rudely rushed off the phone.

\* Clerk, United States District Court for \_\_\_\_\_  
Address

City, State Zip Code (I need address)

Okay, what District Court and what address (full) do I use?

Under #2, Applicability: a. State & Fed Prisoners; the last thing it says is "but rather". What is/are the rest of the directions or guidelines I need? = Statute of Limitations ↑

Again I apologize for taking up your time, but, I need to know these things if I'm going to be able to proceed to better

②

and fully understand what I'm doing.  
Since Ms. Carter has been removed (every  
since being assigned to my case) she's  
not under obligation to answer the  
questions I now have. Never answered  
any of them, really.

A last question:

What's the purpose in having Court Appointed  
Counsel if they're never going to answer  
their appointed client's questions?

No wonder no prisoners are being set  
free in S.C.

Wrongfully Accused,

③ Sorry.....

1 more (last) question.

It says I have 1 year to have my application filed, beginning or ending with such and such date. Four Choices!

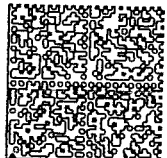

When is my time limit up or rather when does/did it begin? I'm confused!!!

Ms. Carter claimed that she'll have to look it up and get back to me. She has never got back to me when I posed questions to her. I don't think she'll start now.

Please - n - Thank U So Much for your answering and readdressing these matters to me in a timely and professional manner.
