S.C. SUPREME COURT

Re: *1634 Main LP v Shirley Hammer v Howard Hammer and Hammer v Hammer*
Case No: 2014-000965

Dear Debbie:

Thank you for your email with the Court's order of today that granted Mrs. Hammer's motion to expedite. By my calculations, on the assumption that both sides take all the time allotted, the case will be fully briefed and ready for oral argument by September 3, 2014.

I noticed today that the Court has scheduled oral arguments for its September term for September 23, 24 and 25, 2014. That schedule had not yet been posted when I filed Mrs. Hammer's motion.

Please pass along our request that the case be set for oral argument on one of the existing September hearing dates (or even earlier if any court should be scheduled before then).

We are enclosing a check for \$25.00 in the event this request is considered a motion. By copy of this letter, I am serving counsel for 1634 Main, LP and Howard Hammer.

I do appreciate your assistance. We look forward to hearing from you. With warm personal regards, I am,

Sincerely yours,

Desa Ballard by Harvey M. Watson
